

EXPRESSIVE ARTS

The components are:

- **Participation in performances and presentations**
- **Art and Design**
- **Dance**
- **Drama**
- **Music**

All children are encouraged to use every medium as a means of self expression, and much of the drama, art and music is integrated into topic work.

There are also regular assemblies and shows in which children participate, giving expression to their talents and gaining much in confidence, self-esteem, teamwork and enjoyment.
