Writing:

L1- I am learning to write a poem.

Come join me in my direct teaching PowerPoint on Seesaw, we will discover different types of poems in Literacy. Our focus will be on acrostic poems.

What is an acrostic poem?

An acrostic poem uses the letters in a topic word to begin each line. All the lines of the poem should relate to or describe the topic word.

Can you remember the Sandwood Values?

These are displayed around the school; this is an acrostic poem.

If you have a look at this poem, the topic is RESPECT.

Can you see this word in the poem?

Resilience, Effort, Success, Positivity, Equity, Caring and Teamwork are major attributes of each Sandwood Star. We all have these within us. ❤️

Task:

Can you write an acrostic poem of your name? Here is my example:

M – Magnificent chatterbox.

I – Independent

S – Sleepy like a tired baby

S – Sisterlike friend

N – Naturally nervous

A – Adventurous

E – Enthusiastic attitude.

E – Energetic as a battery.

M – Mindful.

SC: Remember to include ambitious adjectives, similes and alliteration.
Don't forget to connect your writing to your personal experience, characteristics and feelings.

I cannot wait to read your acrostic poems P5b!
