Class Clyde Information

BLOCK 2
2026-27

Reading – Children will continue to enjoy daily nursery rhymes during our morning circle time sessions. A range of resources and the use of singing hands will be used to encourage participation and support children's communication through Makaton. During our afternoon fruit and book sessions, children will explore a variety of books, developing their understanding of how to handle books and engage with stories. Adaptive books will be used to support and encourage children's interest in reading.

Listening and Talking – Children will continue with the core word of the week. We will continue to build on our talking and listening skills through stories and rhymes for children to respond using actions.

Phonics/Spelling – Children will continue to develop their understanding of initial sounds and begin to explore blending sounds together to support their early reading skills.

Writing- Children will continue to engage in a range of mark-making activities to develop their fine motor skills and concentration.

Numeracy – This term, children will focus on developing their understanding of numerals from 0–5. They will practise counting forwards and backwards and begin to identify which number comes before and after a given number.

Maths- Children will focus on exploring shapes by matching 2D shapes and 3D objects. Through play-based activities, they will investigate the different properties of shapes and objects through play.

HWB: This term, children will continue to develop their self-help skills and independence. They will be encouraged to get ready for outdoor play independently, practise dressing and undressing, and learn to put their belongings away in the appropriate places.

PE: Children will continue to participate in a range of gross motor activities during the afternoon, including our sensory circuits. They will be encouraged to develop their physical skills and build independence.

IDL -Topic

Our topic this term is festivals and celebrations. We will explore a range of festivals and events, including Autumn, Halloween, Diwali, Bonfire Night, Remembrance Sunday, Children in Need and Christmas. Children will take part in a variety of engaging activities through Funky Fingers, mark-making, expressive arts and music, providing opportunities to explore different traditions, develop their creativity through play.

Outdoor learning – Children will have opportunities to continue building positive relationships with others across the LCR during outdoor play. A range of engaging outdoor activities will be provided, weather permitting, to encourage social interaction and shared play experiences.

Attention Autism sessions- These will continue to take place daily in the afternoons, providing children with opportunities to explore new and exciting resources. These sessions will support the development of attention, engagement and shared experiences through a range of fun and motivating activities.

Uniform – make sure all items of uniform are labelled.

School Information – Please check the school App and website.

Health Promoting School – We are a Health Promoting School and follow Glasgow City Council's Better Eating, Better Learning Policy'. This means that snacks pupils are permitted to bring are: -A healthy snack – **NO** sweets, chocolate etc., and water to drink – in a refillable bottle preferably.

Daily Mile – The class will be participating in the daily mile each day as part of our P.E programme.
