HERE'S THE NEWS

CLYDE – have enjoyed visits to Rouken Glen and Linn Parks. The boys had fun exploring and getting messy!

ISLAY - have learned about how people celebrate Chinese New Year. We made our own dragon puppets after seeing videos of dragon dances. We listened to the story of The Little Red Hen and found out how the animals 'learned a lesson'. Mrs Cameron taught us for a day and we did a fun experiment; we made paper float using static electricity.

LOMOND – Miss Rennie is sad to be spending her last week with Class Lomond. We have all been enjoying our class trips to Glasgow Green and Cowan Park for some outdoor learning.

NEVIS – have been enjoying their topic 'The Silver Sword'. The book tells the story of a Polish family separated during the Second World War and their journey to be reunited. Well done to Cameron for starting karate; he is really enjoying it!

THISTLE - have been learning about the heart and circulatory system. They enjoyed dyeing string red and blue to represent veins and arteries and used them to make an image of how circulation works in the human body.

The LCR classes continue to weekly enjoy trips in the local area. The classes attend on a rota basis.
