HEAD LICE

Head lice are a common problem; however schools now do not use 'alert' letters.

It is parents' responsibility to check their child's hair regularly. We have devised an information leaflet for parents which can be located from the school office.

We are so fortunate to have been offered reading therapy sessions with John and his new Therapet, Culbin.

John and Culbin will be working with many children over the next few months.

As always if you require any further information please do not hesitate to contact Mrs Blair (Principal Teacher)

HERE'S THE NEWS

CLYDE – are learning about money this term, identifying coins. The class topic is minibeasts and the class are working on blending cvc words.

LOMOND – have been learning all about different animals under the sea as part of their topic. In science they have been learning about weather and sinking and floating. In literacy the class are learning about procedural writing and practising reading skills daily. In numeracy the focus is fractions and counting forwards and backwards in 10s.

NEVIS – have been participating in Clyde in the Classroom. They are really enjoying learning all about Brown Trout. They have also been developing creativity and research skills surrounding their space and solar system topic.

THISTLE - enjoyed visiting The Science Centre to learn about Clyde in the Classroom. Now they are following the progress of the brown trout eggs which have just hatched! The children are working hard to develop their growth mindset.

The school will close for the Spring Break on:

Thursday 28th March at 2:30pm

and will re-open on

Monday 15th April.

PARENTS' NIGHT - WEDNESDAY 28TH FEBRUARY

Our Parents' Meetings are taking place on Wednesday 28th February. Class Teachers look forward to speaking with you during your appointment. Please contact Mrs Blair if the time you have been allocated is not suitable.
