

# P5b's Home Learning

## Friday 29<sup>th</sup> January 2021

Please email me at [gw20naeemhumira@glow.ea.glasgow.sch.uk](mailto:gw20naeemhumira@glow.ea.glasgow.sch.uk) with any questions that you may have about your tasks. I would love for you to show me evidence of your great learning also!

### Health and Wellbeing:

Are you ready for some Friday Fitness with Joe Wicks?

Tune in to his YouTube channel at 9.00am-9.20am.

Follow the link: <https://www.youtube.com/user/thebodycoach1>

I love these sessions and I most definitely will be joining you P5b!

Why not encourage the rest of your family to join in!

Choose one of these activities to do today:

### Literacy:

D.E.A.R — select a book, magazine, comic or newspaper at home and read for 15 minutes. Why not build a den using pillows and blankets for a cosy read!

### Spelling:

- \* Look over your spelling words for this week.
- \* Use SACAWAC to revise. (**S**ay and **C**over and **W**rite and **C**heck your words)
- \* Ask a family member to test you on your spelling words.

Please don't forget to send me your score, I would love to know.

## Scots' Language

Can you recognise the Scottish language in the 'Scots Words Matching Activity' Worksheet on Seesaw?

Research on what these phrases mean and then match them up with the correct English translation.

Please complete this activity in your home learning jotter and then upload a photograph for me to see on Seesaw.

## Poetry Task:

Could you please memorise and rehearse your favourite stanza of our Scottish Poem - 'Jeely Piece'.

Remember in poetry we say 'stanza' instead 'paragraph'. I wonder if you could translate the Scottish words into standard English and rewrite this stanza in your home learning jotter. You could change the Scots language and use your own vocabulary. Include ambitious adjectives, add similes and metaphors.

If you haven't already sent me a voice note or video of you reciting this poem, please try. I would love to hear your best Scottish accent!

*I know you can do it!*

## French:

Bonjour!

Let's have some fun on French Friday with Mrs Howarth.

Join into a French session online.

This can be accessed via Youtube – LingoboxLearning or you can simply follow this link: <https://www.youtube.com/channel/UCOL4YR8hhRveNlvZrz9xptDQ>

## Numeracy:

Continue to develop your mental maths with Number of the Day.

**Your number is 3.**

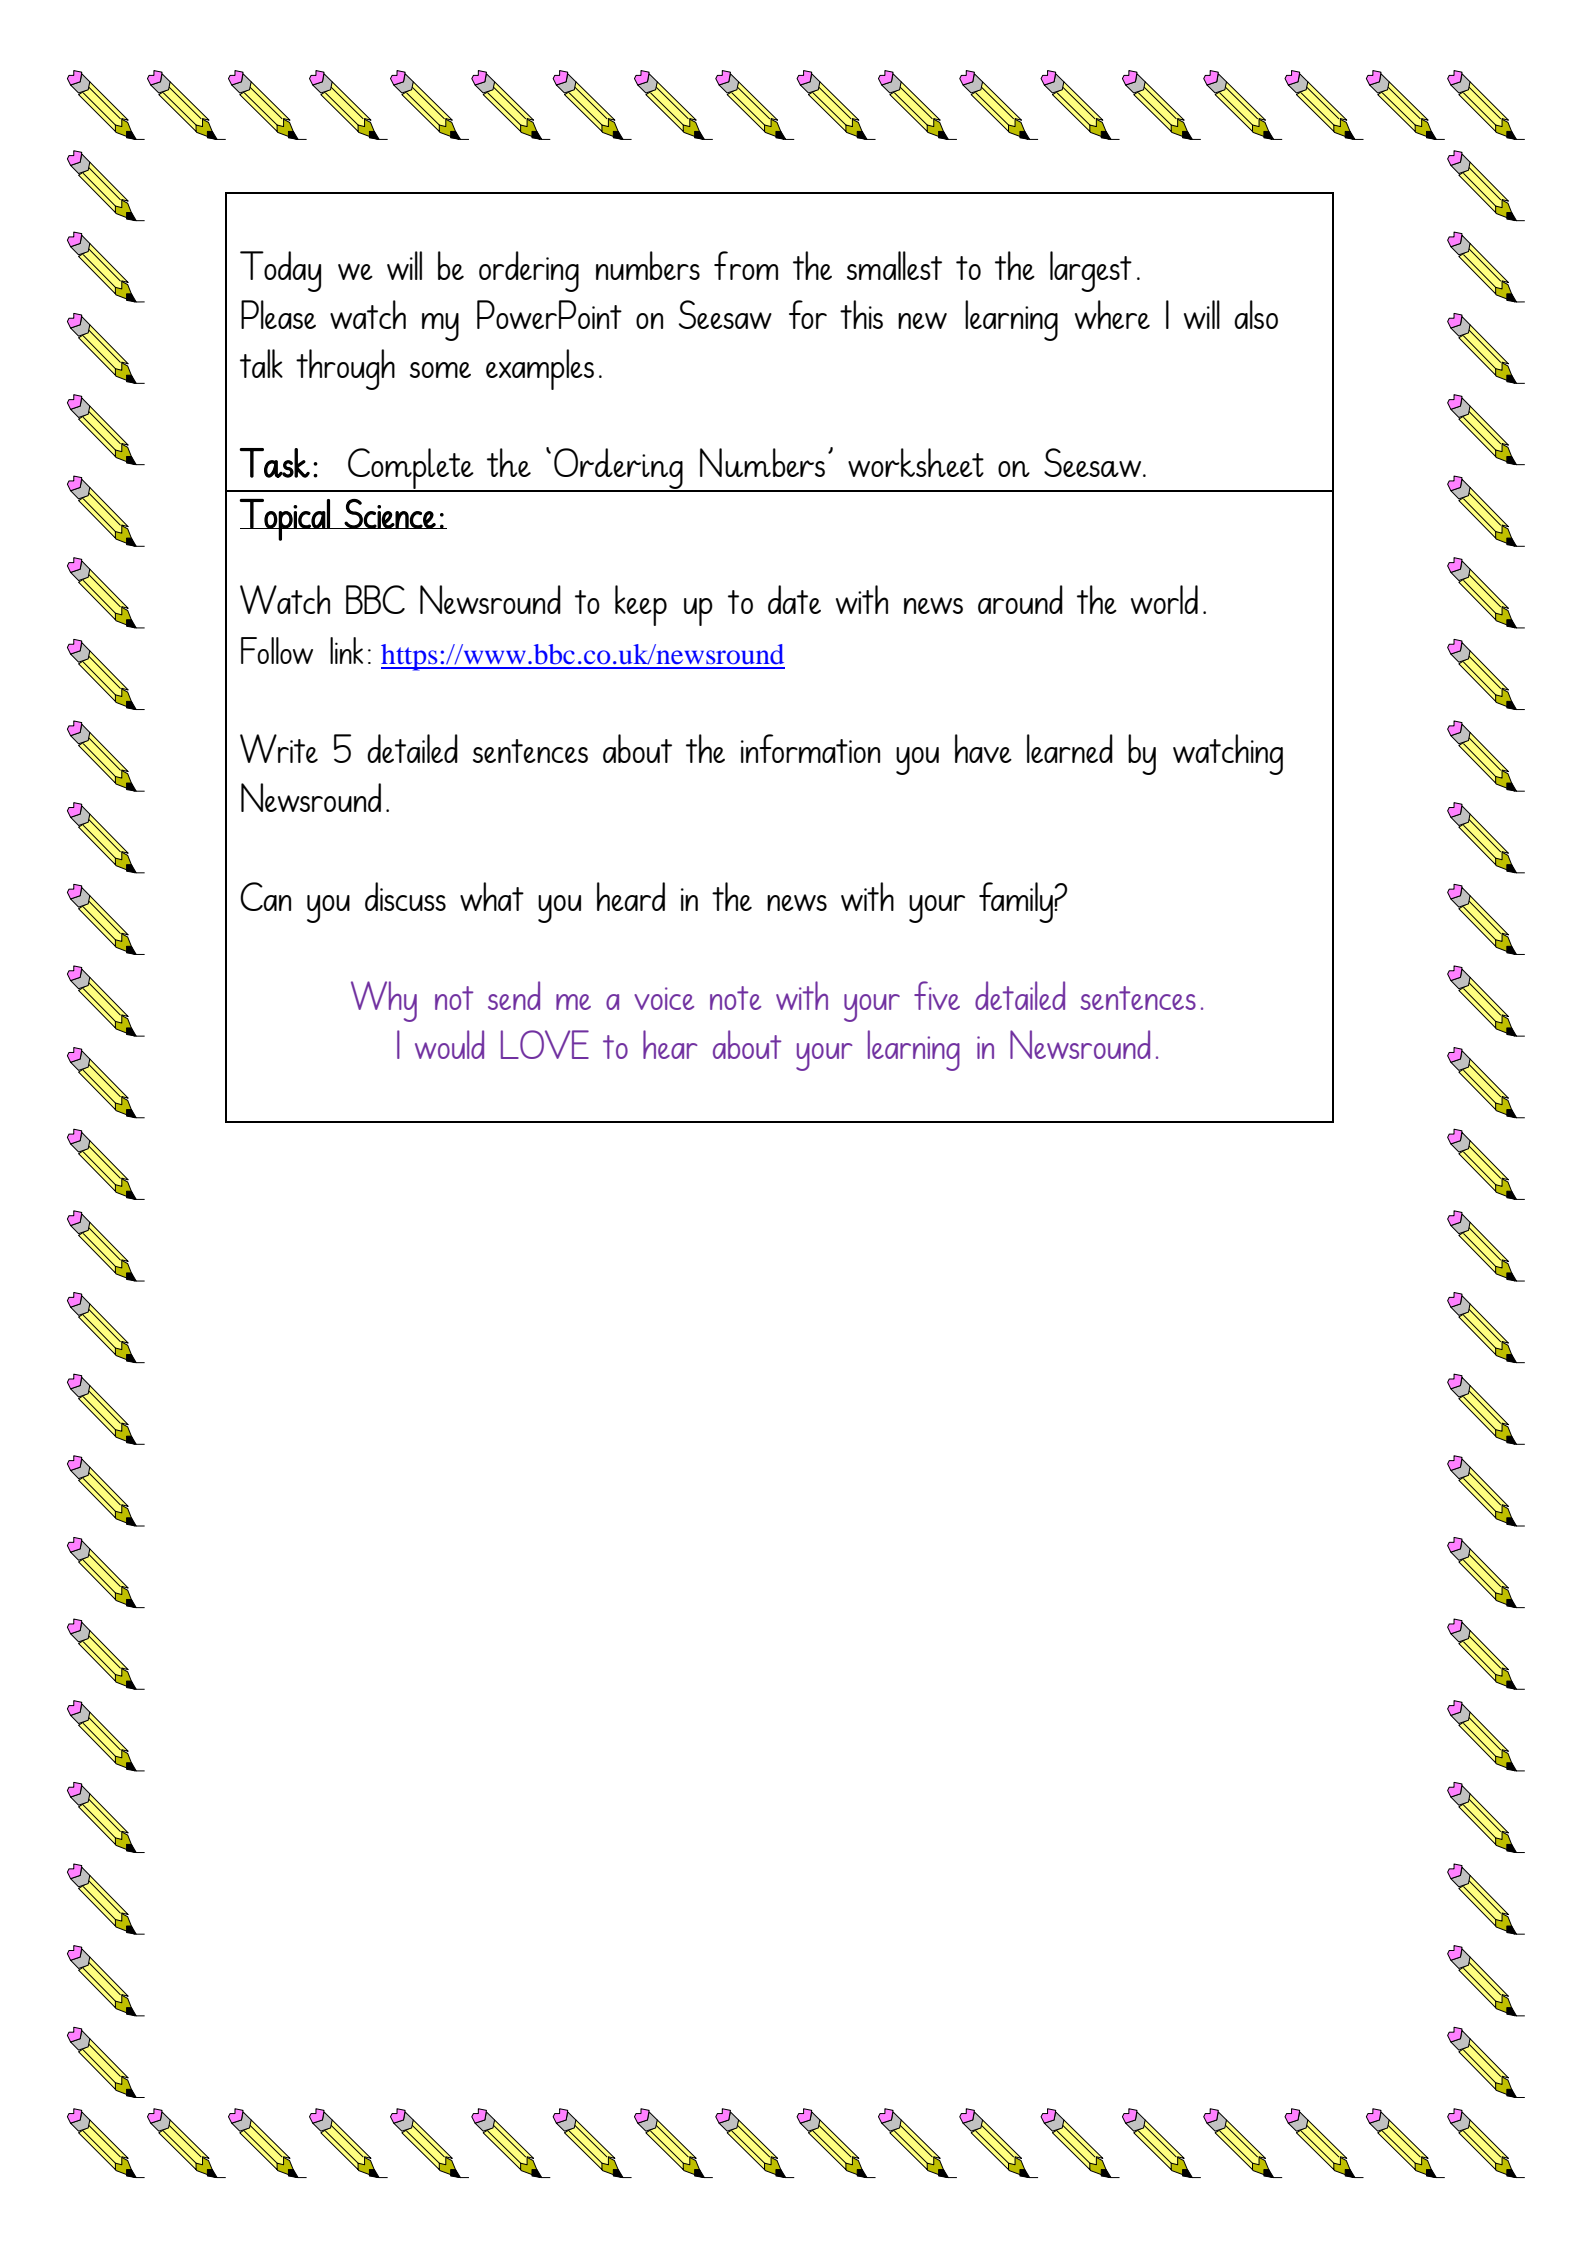

*\*Put on a timer\**

Let's see how fast you can answer these questions!

The number is between 0 and 20 and a multiple of 1		Your number of the day is 3.		Questions: 8
		New Number Print Sheet Show Answers		Difficulty: Medium
				Background:
1. Find $\frac{1}{2}$	2. Times by 5	3. Add 3	4. Multiply by 10	
5. Times by 4	6. Round to nearest 5	7. Next even number is	8. Minus 3	

Please log into Sumdog and complete as many questions as you can with 10 minutes.

L1 – I am learning to order 3-digit/4-digit number.

Today we will be ordering numbers from the smallest to the largest.  
Please watch my PowerPoint on Seesaw for this new learning where I will also talk through some examples.

**Task:** Complete the 'Ordering Numbers' worksheet on Seesaw.

**Topical Science:**

Watch BBC Newsround to keep up to date with news around the world.

Follow link: <https://www.bbc.co.uk/newsround>

Write 5 detailed sentences about the information you have learned by watching Newsround.

Can you discuss what you heard in the news with your family?

Why not send me a voice note with your five detailed sentences.  
I would LOVE to hear about your learning in Newsround.
