HERE'S THE NEWS

CLYDE – all children are participating in our Daily Mile walk every afternoon. The class are exploring subtraction using concrete materials and will be handling money and developing cin recognition through play.

ISLAY – In science, the class sorted animals into ones which lay eggs and onces which give birth. They talked about people who help us and what they do. We made posters to tell people to stop putting plastic in the oceans as it hurts the sea creatures. This week the class are planting sunflower seeds and learning how to look after a plant.

LOMOND – have worked incredibly hard this year. They will be focusing on Forest School and Outdoor Learning activities in June. Well done to Callum who has grown in confidence each time he speaks to new people in the Sandwood Community. He loves to share his knowledge of safari animals.

NEVIS – have been doing Stop Motion using iMovie on the iPads. The class are looking forward to Sports Day. Well done to Chris who has worked hard in numeracy and has achieved 100% in a fractions assessment and 96% in a money assessment.

THISTLE - have been enjoying keeping active outdoors on scooters and using other sports equipment Some of the class have also been working hard to create and film their own short movie.

SUN PROTECTION & HOT WEATHER

You may send your child to school with sun-screen. Please note, staff members are not permitted to apply this, however can supervise application by children to themselves. If you wish your child to use sun screen in school, please ensure a member of staff is alerted to this in writing. Please send your child to school with a filled re-useable water bottle.

We will be saying a sad farewell to Miss Scouler and will miss her valued contributions to Sandwood LCR.

We look forward to hearing Mrs Deans' baby news when we come back after the summer holidays.

As always if you require any further information please do not hesitate to contact :
