June 2022

We will be saying a sad farewell to Mrs Akhtar and wish her a very long and happy retirement. We will miss her valued contributions to Sandwood LCR.

We welcome Miss Scouller as Class Teacher Nevis, Miss Stark as Class Teacher for Lomond and Miss Pitt as our new Support for Learning Worker.

We would like to wish our P7 pupils every success for the future as they move on to the next stage of their life. We will miss them very much and hope they will continue to flourish as the 'Sandwood Stars' they are.

CLYDE – have thoroughly enjoyed their 'People Who Help Us' topic. They have been so lucky to have had a visit from the local Fire Brigade and from Nurse Wallis. They helped the class to understand how important their jobs are to keep everyone safe and healthy. Well done to Nathan Stewart who won 1st place in the Bank of Scotland Eco Bunting Competition.

ISLAY – joined in with Class Clyde to do some exciting things! Firefighters visited and the boys got to use a hose. A real life nurse came to visit too and the class learned about her job. The class also learned about some of the creatures that live under the sea and they made sea pictures and collages.

LOMOND – are looking forward to Sports Day and have been practising their activities. Let's hope the sun is shining.

NEVIS – will be taking some tomato plants home for the holidays after their successful health and wellbeing project from last term. Their indoor tomatoes continue to grow well and hopefully they have some lovely broccoli in the outdoor planter after the summer holidays. The class have also tested their general knowledge (gained through our morning challenge activities this year) with a series of A-Z challenges; from capital cities to famous footballers!

THISTLE - have been learning and thinking about how they can celebrate diversity in society. They have created fantastic posters and pieces of writing linked to this.
