

PARENTS' NIGHT - WEDNESDAY 4TH MARCH

Our Parents' Evening is Wednesday 4th March. Appointment times have been given to families. We look forward to welcoming you to the LCR then.

HEAD LICE

Head lice are a common problem; however schools now do not use 'alert' letters.

It is parents' responsibility to check their child's hair regularly.

We have devised an information leaflet for parents which can be located from the school office.

HERE'S THE NEWS

CLYDE – have designed and made some super Viking hats and shields as part of their topic. They are enjoying making and learning about Viking clothes using sensory boards!

LOMOND – have been developing their creativity and imagination through space-themed role play. They have created their own planets and used these to produce some brilliant descriptive writing.

NEVIS – have been enjoying learning about the Chinese Zodiac. They are creating their own 3D animals based on the story. They have also been learning about their own safety and people who can help them feel safe.

THISTLE – have been working hard learning Times Tables and playing fun mental maths games like Bingo and Buzz! They have also been enjoying learning about different aspects of film as part of the February Film Fest.

We are holding our second STEM (Science, Technology, Engineering and Mathematics) Fair on 11th March as part of our celebrations for Science week 6th – 15th March.

Please see the app for information on the STEM competition and how to get involved.

The school will close for the Spring Break on:

Friday 3rd April at 2:30pm
and will re-open on
Monday 20th April.

As always if you require any further information please do not hesitate to contact myself or Mrs Blair (Principal Teacher) on :

0141 883 8367

J Wallis
Depute Headteacher
