October 2021

Please remember to install our school app to your smartphones. This is an excellent way of ensuring good communication with families. It is very easy to install and to navigate. Download the ScotEd app and then choose Sandwood Primary School.

Also, remember to follow us on Twitter.

Our website is another good place for sourcing information.

CLYDE – are enjoying their trampoline sessions and are becoming excellent engineers of the future designing exciting marble runs!

ISLAY – have made symmetrical butterflies and did some fabulous work on ladbirds which are displayed in the LCR corridor as this is part of their minibeast topic.

LOMOND – are ready to begin a new topic called 'Explorers and Journeys'. They have been improving their music skills by playing rhythm games with various instruments.

NEVIS – Last term Nevis pupils really enjoyed their 'Gemstones' mini-topic. This term they will continue with a polar theme, with a focus on science and geology. Hopefully they will even manage to grow their own crystals!

THISTLE - have been focussing their topic learning around aspects of COP26. They have learned about recycling, created their own earth art and designed lightbulbs with rhyming slogans about switching off lights and saving energy.

HALLOWEEN

For Halloween, we will have a non-uniform day on Friday 29th October. Pupils can wear their own clothes to school but as per the changes we have previously put in place in line with being an inclusive school, pupils are not to wear costumes or masks.

The classes will take part in various Hallowe'en themed activities that comply with current guidelines with their class and the school will provide treats for the children to enjoy. We are not asking for any financial contribution to this, however do ask that you provide your child with a drink (not fizzy) for the afternoon activities.

As you are aware, we are still having to follow Covid guidelines, therefore unfortunately the Parent Council are unable to provide the Hallowe'en themed costume discos in the evening as part of the school's Hallowe'en activities due to the restrictions that are currently in place.

As always if you require any further information please do not hesitate to contact Mrs Blair (Principal Teacher) on :
