## HERE'S THE NEWS

**Clyde** – have been learning to add using concrete materials. They have been exploring and forming numbers to 10. Well done to James Robertson for performing in Sandwood's Got Talent. What a star he is!

**Islay** – welcomed Spring by going on a Spring Walk. They saw daffodils, snow drops and crocuses in our lovely playground. They have made Mother's Day cards and written a Mother's day poem. In science they have been learning about muscles and the skeleton.

**Lomond** – have been enjoying science lessons and are looking forward to their next block of outdoor learning. Well done to Marco, who has actively engaged in our science lessons and has supported his peers with their learning.

**Nevis** – Muhammad, Chris and Daniel all had successful visits to their new Secondary Schools. We are very proud of them.

**Thistle** - enjoyed learning about finger printing as part of their science topic. They looked at different patterns that make everyone's fingerprints unique and created some fantastic art work.

The school will close for the Spring Break on: Friday 31<sup>st</sup> March at 2:30pm and will re-open on Monday 17<sup>th</sup> April.

Congratulations to Daniel and James who participated in Sandwood's Got Talent on Friday 17<sup>th</sup> March. They were true 'Sandwood Stars'!
