

# P.6 Class Information

**BLOCK 4**  
**2025-26**

## Reading

This term we will be completing the novel study 'Coraline' by Neil Gaiman. We will use this book to develop our reading skills by answering and creating different question types, summarising the text and using the author's techniques as an inspiration for our own creative writing pieces. We will also be continuing with our reading scheme books.

## Listening and Talking

We will continue to watch our daily Newsround bulletin and use this as a context to create, ask and respond to a range of different question types. We will also be reading our class novel aloud and discussing elements such as using punctuation cues and reading with expression.

## Writing

This term our focus will be fiction writing and we will be exploring settings and short stories. We will identify the key ingredients of a good story and will create our own short stories with interesting characters, detailed plots and exciting endings! We will be challenging everyone to use a range of VCOP skills to up-level their writing and use the joined script at all times.

Home learning will no longer be issued by class teachers. However, if you would like to support your child's learning at home, a wide range of activities are available through the school app and the school website. On the app, this information can be found in the *Classes* section, and on the website, it is located under the *Home Learning* tab. Pupils are still welcome to borrow a book from the class library to read at home for pleasure and they also have their Sumdog login details, which can be used at home to help develop their mental maths skills.

This term we will be learning how to solve equations in algebra and learning to read, write and plot co-ordinates in 4 quadrants. We will also be developing our measuring skills, converting between mm, cm and m and calculating the perimeter and area of shapes. We will continue to reinforce our number skills in addition, subtraction, multiplication and division by completing daily Sumdog and mental maths challenges.

**Health & Wellbeing:** This term we will be focussing on the RSHP (relationships, sexual health and parenthood) programme and will also be exploring skills for work and discussing future careers and pathways.

**PE:** On **Tuesday afternoons** we will be visiting Scotstoun Leisure Centre for our swimming and P.E lesson. Please ensure all jewellery is removed and children come to school with their swimming kit and suitable footwear for their P.E session.

**Social Studies** - This block we will be learning about Fairtrade and Ethical Trading. We will be exploring the social, economical and political issues surrounding Ethical trading and we will also be creating and marketing our own Fairtrade products.

**Digital Literacy** - Pupils will be developing their digital skills by learning how to use Clips, iMovie & Green Screen to create an advert for their Fairtrade product. We will also be using the Garage band app to create jingles for our products.

**Uniform** - make sure all items of uniform are labelled.

**School Information** - Please check your child's bag daily for information regarding school events etc. In addition, please consult the school's App and website and follow us on Twitter/X.

**Health Promoting School** - We are a Health Promoting School and follow Glasgow City Council's 'Better Eating, Better Learning Policy'. This means that snacks pupils are permitted to bring are:-  
A healthy snack - **NO** sweets, chocolate etc., and water to drink - in a refillable bottle preferably.

**Additional Information**
