

P1 Class Information

BLOCK 4
2023-24

Reading – Primary 1 will continue to develop their reading fluency through daily reading practice in class. We will be looking at recognising and using punctuation when reading aloud. We will be focusing on reading comprehension through answering open-ended questions on what they have read and completing simple close reading activities.

Blending – This term we will be focusing on blending sounds in reading and writing with increased confidence and independence. When helping your child at home please remember to say the pure letter sounds and not the letter names as this helps with blending.

Writing - We will continue to use our knowledge of sounds and common words to

Primary 1 will continue to add and subtract to solve number sentences, double numbers and how to solve missing number problems. We will be consolidating our knowledge of measure and looking at capacity and length and their uses in everyday life.

We will also be exploring data handling and how to interpret and create simple graphs and charts.

H&WB - Primary 1 will be exploring relationships and health this term.

P.E. – The Owls have P.E. on a Monday afternoon and Squirrels on Tuesday afternoon. Children may come dressed for the gym on that day. Please ensure all jewellery is removed on these days and that children with long hair have a bobble to tie it back. Our focus this term is Potted Sports, Racquet skills and Relay races.

Children have been issued with common words, Storyworld words and jotters containing letter and number formation sheets to practice. We suggest that no more than 10 – 15 minutes is spent on homework each night. Children's will be given a reading book on **Tuesday**, this should also be returned the following **Monday** in order to receive the next reading book.

Social Studies/Science/Technology - Our IDL context this term is Minibeasts and Plants.

Expressive Arts - Children will learn different skills through our class topic.

RME – This term we will be learning about welcoming a baby in Judaism.

Outdoor Learning - We will carry out a range of outdoor learning experiences related to our IDL context.

Digital Literacy – We will continue to use the iPads to enhance our digital technology skills.

Uniform – make sure all items of uniform are labelled.

School Information – Please check the school App and website and follow us on Twitter.

Health Promoting School – We are a Health Promoting School and follow Glasgow City Council's Better Eating, Better Learning Policy'. This means that snacks pupils are permitted to bring are: -A healthy snack – **NO** sweets, chocolate etc., and water to drink – in a refillable bottle preferably.

Daily Mile – The class will be participating in the daily mile each day as part of our P.E programme.
