

# PI Home Learning

## Wednesday 13<sup>th</sup> January

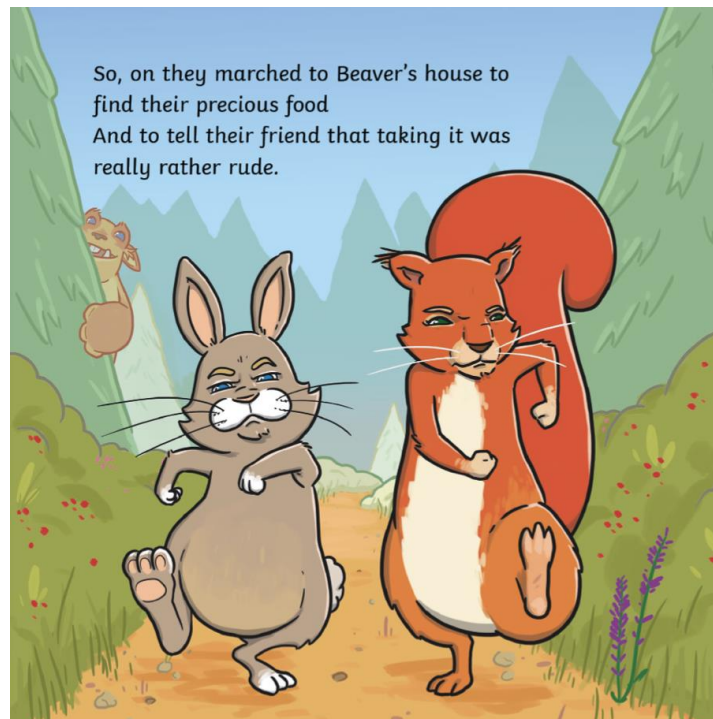

### Literacy: Reading Comprehension

Today we will be learning about one of our reading strategy characters and how they help us when we are reading. This is Sharp Eye the owl, he teaches us to look at the pictures in a book to help you work out what is happening.

Can you have a look at the picture below and use your Sharp Eye to answer the questions.

- How do you think the two main characters are feeling?
- Where is this story set?
- What might happen next?

## Common words

Continue to practise these five common words. You can read them, find them in a book or write them.

the	in	he	with	be
-----	----	----	------	----

## Numeracy: 2D Shape Hunt

Can you find an example of each shape below around your house, garden or outside?  
Take pictures and let me know what you found! 😊

 circle	 triangle	 square	 rectangle	 pentagon	 hexagon

## Health and Wellbeing:

- Join in with the Body Coach workout, you can find this on Youtube or Facebook.
- Nature Walk

Go for a walk in the park or in your garden if you have one and see what birds you can spot. See if you can spot an area that has lots of birds because tomorrow we will be making bird feeders. 😊
