P2 Class Information

BLOCK 2
2026-27

Reading – In reading, Primary 2 will be developing their ability to read aloud with increasing fluency and expression. We will be using a variety of strategies to support reading such as predicting, visualising, and re-telling. We will also be reading and writing common words each day and learning new sounds each week to support reading.

Talking and Listening -
Children will be encouraged to listen and share their opinions and experiences in relation to both writing, topic and books.

Spelling - Primary 2 will take part in daily active spelling activities. They will be encouraged to spell words independently using their knowledge of phonics.

Writing - In writing, Primary 2 will explore characterisation. They will recount their weekend through news writing and other writing activities. This will allow pupils to develop their basic writing skills such as capital letters, full stops and finger spaces.

French – We will continue to embed French into our daily routines such as greetings, days of the week and the weather. Further to this we will explore numbers and counting in French.

In numeracy, children will be developing subtraction strategies. We will also focus on multiplication and division

In Maths, Primary 2 will be exploring pattern and sequence and symmetry.

In mental maths, we will continue to practise skip counting and reinforce last term's learning on time and money.

H&WB: Our focus this block will be on personal safety, substance misuse and relationships.

PE: PE will take place on Tuesdays (MUGA) and Thursdays (gym hall). Please ensure that children wear suitable footwear and clothing for all weather conditions. As per GCC Health &Safety Physical Education guidelines, pupils cannot have jewellery or earrings in.

Home learning activities are no longer issued by class teachers. However, if you would like to support your child's learning at home, a wide range of activities are available through the school app and the school website. On the app, this information can be found in the Classes section and, on the website, under the Home Learning tab. If you would like jotters for home learning, please just ask.

Social Studies/Science/Technology: Our topic this term is 'Wonders of Water.'

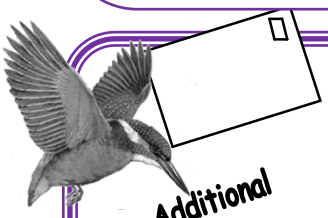

Expressive Arts: Children will learn about different skills through our topic such as colour mixing, texture and tone.

RME: We will be learning about Islam and the Christmas Festival.

Outdoor Learning: We will carry out a variety of outdoor learning experiences across the curriculum.

STEM: We will have weekly topical science conversations and carry out a range of problem solving and experiments linked to our topic.

Digital Literacy: We will continue to use the iPads to enhance our digital technology skills.

Additional Information

Uniform – Please ensure all items of uniform are labelled.

School Information – Please check your child's bag daily for information regarding school events etc. In addition, please consult the school's App and website.

Health Promoting School – We are a Health Promoting School and follow Glasgow City Council's Better Eating, Better Learning Policy'. This means that snacks pupils are permitted to bring are: - healthy snacks (no sweets or chocolate) and water to drink in a refillable bottle.

Daily Mile - The class will participate in the Daily Mile as part of our PE programme.
