**Literacy:** *Direct Teaching on Seesaw*

## Spelling/ Handwriting

Spell each of your spelling words using Pyramid Writing. Once you have finished, sound out each word and have a go at spelling aloud.

For example 

### Word list:

two, more, write, go, see, number, way, could and people

## 'br'

Listen to the following video to be introduced to our weekly sound.

<https://www.youtube.com/watch?v=CiTuqwybhjtk>

Once you have listened to the video, have a go remembering any 'br' words you heard. Can you think of any others? Create a list of as many words as you can containing the 'br' sound.

### Task 1

Make a list of all the 'br' words you can think of. Sound them out as best as you can and ask an adult for help if you really need it.

### Task 2

Take pictures of any items you can find around your house which have the 'br' sound in their name.

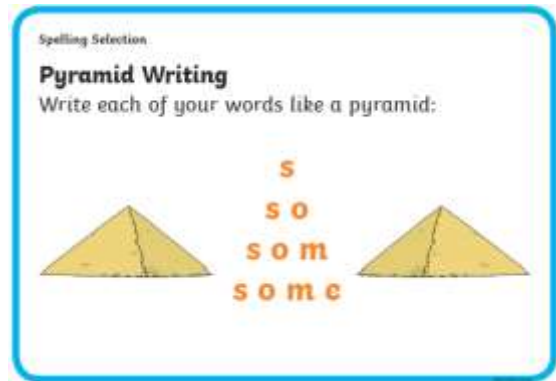

### Task 3

Write two sentences using some of the 'br' words you have learned today. Make sure you are using connectives where possible. You can use the connective 'and' or 'but' to join two sentences together or to add extra information about your first sentence.

Send completed work to me on Seesaw or send to my email address below.

Have fun!
