Literacy: Direct Teaching on Seesaw

Spelling/ Handwriting

Spell each of your spelling words using Join the Dots. Once you have finished, sound out each word and have a go at spelling aloud.

For example

Word list:

find, long, down, day, did, get, some, made, may and part

Grammar – Question Marks – Direct Teaching on Seesaw

Today we will be focussing on question marks and how to use them correctly in a sentence.

Follow the link below if you can and complete the activities on the BBC Bitesize website, otherwise continue reading for today's activities.

<https://www.bbc.co.uk/bitesize/topics/zmygsk7/articles/z68yy9q>

1. Watch the video to learn about question marks and how to use them.

2. Highlight the words in the sentences which should be followed by a question mark.

Re-write the sentences so that they are punctuated properly.

Why was Brain on a trampoline.

Brain was bouncing on the trampoline.

Where does a question mark go.

A question mark goes on the end of every question.

Spelling Selection

Join the Dots

Write each of your words using dots. Then, join the dots with a coloured pencil to make your word.

Numeracy: [Direct Teaching on Seesaw](#)

ZERO THE HERO – Can you remember why we need zero? Watch the video below and sing along.

<https://www.youtube.com/watch?v=LJwK226dqQs>

There are a few things you need to know before you have a go at the questions below.

Today, we are looking at some tricky two-digit numbers. They need to be split into 10's and 1's.

If we look at the number 32, I can see that it has 3 tens and 2 ones. This is shown in the diagram below.

Task 1

It is your challenge to partition the numbers below to show how many tens and how many ones each number has.

Number Partitioning Worksheet

Name: Date:

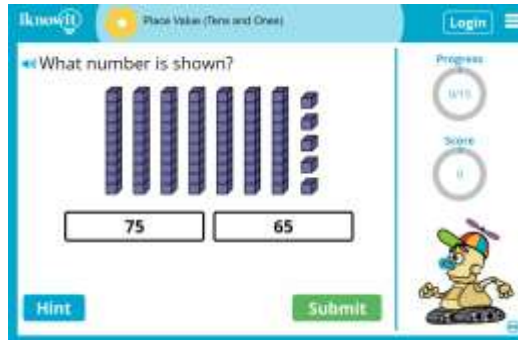

- $63 = 60 + 3$
- $35 = \text{ } + \text{ }$
- $45 = \text{ } + \text{ }$
- $56 = \text{ } + \text{ }$
- $72 = \text{ } + \text{ }$
- $99 = \text{ } + \text{ }$
- $81 = \text{ } + \text{ }$
- $41 = \text{ } + \text{ }$
- $32 = \text{ } + \text{ }$
- $29 = \text{ } + \text{ }$
- $65 = \text{ } + \text{ }$
- $21 = \text{ } + \text{ }$

Task 2

There are some fun interactive games to help improve basic understanding of place value.

Follow the link below for some extra fun!
