P3 Class Information

BLOCK 2
2026-27

Reading– In reading, Primary 3, will be developing their ability to read aloud with increasing fluency and expression. To support their reading skills, we will continue to focus on common words and further developing their knowledge of phonics. We will be looking at features of fiction texts. We will read and discuss our class novel daily.

Talking and Listening- Children will listen to stories and give feedback on what they have heard. They will be able to follow instructions clearly and give opinions to class discussions on current news.

Spelling- Primary 3 will be progressing with their phonics and will be encouraged to spell words independently using their knowledge of phonics.

Writing- In writing, Primary 3 will be exploring character. They will develop their vocabulary by using a range of adjectives in their writing. They will continue to further develop their writing skills through activities across the curriculum and embed grammar skills.

French – We will link French into our daily routines such as greetings, days of the week and the weather. Further to this we will explore numbers and counting in French.

In numeracy, children will be exploring multiplication and division. We will be learning both multiplication and division with an emphasis on the 2, 4, 5, 10 times table. We will also be learning to subtract numbers within 100 and beyond.
In Maths, Primary 3 will be learning about patterns and sequences involving numbers, symbols, and shapes.

H&WB: Our focus for this block is Personal Safety and Relationships. We will explore ways to keep safe in a variety of contexts. Primary 3 will also learn about positive relationships and being a good friend.

PE: P3 have PE on a **Monday** (indoor) and **Thursday** (outdoor). They are learning gymnastics this term to improve balance and control. They will also work on throwing and catching to improve gross and fine motor skills.

Home learning activities are no longer issued by class teachers. However, if you would like to support your child's learning at home, a wide range of activities are available through the school app and the school website. On the app, this information can be found in the Classes section and, on the website, under the Home Learning tab. If you would like jotters for home learning, please just ask.

Social Studies: We are learning to be Super Scientists this term. We will be learning about the difference between living and non-living things, the skeleton and major organs of the human body, and forces

Expressive Arts: Children will learn different skills in art, drama and music linked throughout learning.

RME: We will be learning about Harvest and stories about Jesus.

Digital Literacy: P3 will develop their digital skills by using iPads to create digital artwork and continue with coding, encouraging creativity, collaboration and problem solving.

Uniform – make sure all items of uniform are labelled.

School Information – Please check the school App and website.

Health Promoting School – We are a Health Promoting School and follow Glasgow City Council's Better Eating, Better Learning Policy'. This means that snacks pupils are permitted to bring are:
-A healthy snack – **NO** sweets, chocolate etc., and water to drink – in a refillable bottle preferably.
