

P3 Class Information

BLOCK
2025-2026

Reading - Children will continue to develop their expression, fluency, comprehension and independence with their reading groups. As a class we will also be looking at "George's Marvellous Medicine" by Roald Dahl.

Talking and Listening- This term we will continue to develop our talking and listening skills through class discussion on a range of topics.

Spelling - Primary 3 will continue to spell common words and will use their knowledge of phonics to spell independently.

Writing - Primary 3 will be continuing to transfer their writing skills across the curriculum. We will also be focussing on setting this term, using adjectives and onomatopoeia to enhance our writing. We will continue to consolidate our learning on using punctuation and conjunctions correctly.

French - Primary 3 will continue to embed French into their daily classroom routines.

In numeracy, Primary 3 will continue to apply their learning on numeracy strategies through addition, subtraction, multiplication and division with algebra. Pupils will further their learning on measure, this term's focus being area and length.

In mathematics we will learn about grid referencing and being able to read and times with quarter past/to. Within mental maths, we will be reinforcing multiplication facts for 2 to 10 times tables and using the 4 operations to calculate answers mentally.

H&WB - Primary 3 will be exploring relationships and health this term.

P.E. - We have P.E. on a **Monday (indoor)** and **Wednesday (outdoor)**. Our focus this term is athletics and football. Please ensure all jewellery is removed on these days as I am not permitted to remove earrings in class.

Home learning will no longer be issued by class teachers. However, if you would like to support your child's learning at home, a wide range of activities are available through the school app and the school website. On the app, this information can be found in the *Classes* section, and on the website, it is located under the *Home Learning* tab.

Social Studies/Science/Technology - children will be working collaboratively in STEM challenges linked to our novel study with a focus on prediction, problem solving, resilience and reasoning.

Expressive Arts - Children will learn different skills through our class topic.

RME - This term we will be learning about Muhammad's Life.

Digital Literacy - We will continue to use the iPads to develop our coding skills by creating and de-bugging algorithms and showing our creativity through use of Garageband and iMovie.

Uniform - make sure all items of uniform are labelled.

School Information - Please check the school App and website and follow us on Twitter.

Health Promoting School - We are a Health Promoting School and follow Glasgow City Council's Better Eating, Better Learning Policy'. This means that snacks pupils are permitted to bring are:

-A healthy snack - **NO** sweets, chocolate etc., and water to drink - in a refillable bottle preferably
