## Poetry

This year, our Scot's poem is A Dug, A Dug by Bill Keys. We will be learning all about this poem over the next few weeks and yes, we will still be
 performing our infamous recital.

For now, all I want you to do is read over our poem and try the tasks below.

Not quite so sure how to read this? Have a look at the following YouTube links of a few children reading this. Lots of super expression and actions. I love the second one (although not exactly the same words in our poem). Her expression, voice changes and actions are just super. Her audience is very happy and that is what we are aiming for :0)
