Literacy:

Grammar: Rhyme

(Watch/listen to my direct teaching point on SeeSaw and then complete this follow up work or join MS Teams for this lesson)

Words that rhyme end with the same sound. For example,

Bee – Knee

High – Fly note that igh and y do not have the same spelling but they sound the same.

Cook – Book

Identify the Rhyming Words

Read the following poems. Can you identify the words that rhyme at the end of the line?

Heel-Toe

Why not try to walk heel-toe?
It's quite the safest way to go.

Shampoo

Don't get shampoo in our eye,
I'm sure I don't need to say why.

You never know; if you're a chancer
It might make you a better dancer

That stuff really stings
If you haven't got wings
And you can't find a safe place to
fly.

Rhyming Tree

Choose a root word from the table below and write it at the bottom of the tree trunk.

bug	end	far	sky
right	street	chair	boat

How many rhyming words can you add to the branches? If you need more branches, add them.

Can you write a small rhyming poem using these rhyming words?
