

P3's Home Learning

Tuesday 26th January 2021

Note:

Microsoft Team catch up at 11am. So good to have so many on! I am super proud of you!

Remember to upload your work to SeeSaw or email to Mrs Scott at gwl+scottlynnne@glow.ea.glasgow.sch.uk. I am online from 9am -3pm to help.

Literacy:

Grammar: Compound Words

(Watch/listen to my direct teaching point on SeeSaw and then complete this follow up work or join MS Teams for this lesson)

A compound word is when two or more words are joined together to create a new word.

<https://www.bbc.co.uk/bitesize/topics/zcgv39q/articles/z38t6fr>

Example compound words: classroom, playground, football.
Use the pictures below to make compound words.

earthquake

eyeball

popcorn

blackberry

basketball

butterfly

toothbrush

snowflake

fireplace

rainbow

How many more can you think of? Write them down and share with Mrs Scott.

Can you identify the compound words used in the following sentences?

1. I really miss our P3 classroom. _____

2. We keep the plates in the cupboard. _____

3. A small ladybird was in the garden. _____

4. I brush my hair with a hairbrush. _____

5. My mum took me to get a haircut. _____

6. My bedroom is a tip! _____

Numeracy: 2D Shape Patterns

Please complete the P3 Baseline Shape Assessment on Sumdog.

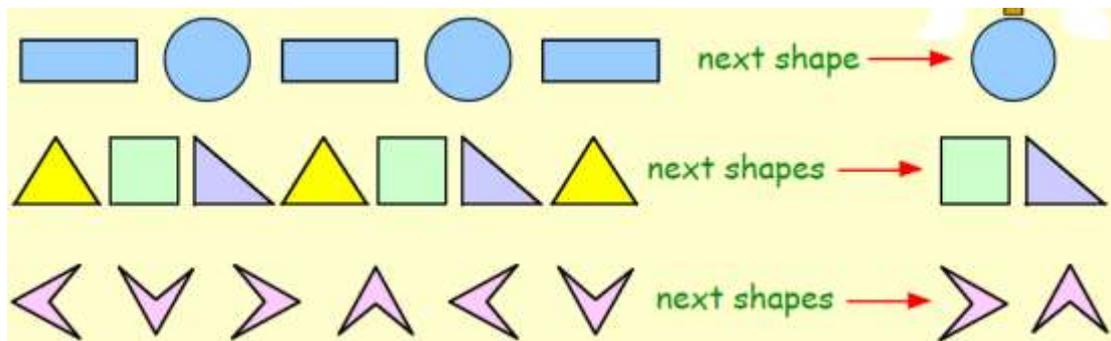

2D Shape Songs:

Drawing Shape Patterns

You can make **patterns** using shapes, colours and lines.

We need to look closely at the shapes being used and find the pattern.

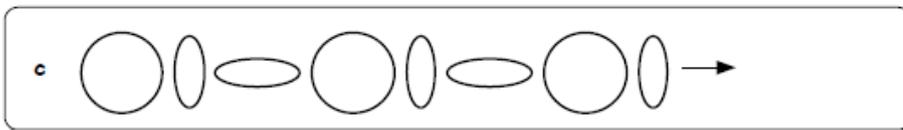

For example:-

We have yellow circle, blue circle, green square. So we know that the missing shapes above will be blue circle and

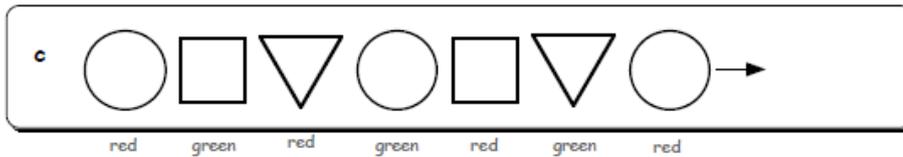

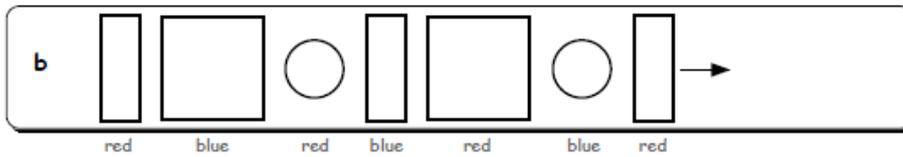

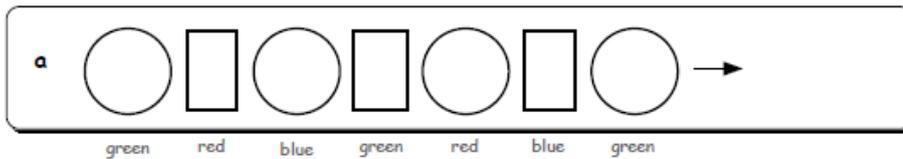

green square.

1. Draw the **next shape** in each pattern :-

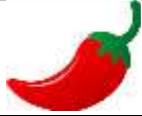

2. Use **blue**, **red** and **green** pencils to colour in these shapes.

Draw and colour the next shape in each pattern :-

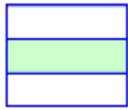

Now create 3 of your own shape patterns using any shapes that we have been learning about this week.

Choose Hot or Mild questions- or both- below.

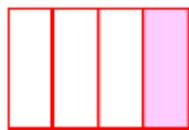

1. Which shape been split into quarters?

a)

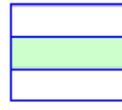

b)

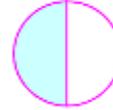

1. Which shape been split into halves?

a)

b)

2. What is the least amount of notes/coins to pay for an item at £19.03

3. What are the missing numbers from the sequence: 304, 308, ?, 316, ?

4. Round 1559 to the nearest 100.

5. Write 2373 in words.

6. Partition 639 into H, T & Us

7. $<$, $>$ or $=$

1578 \square 1589

8. $159 + 61 =$

9. $609 - 51 =$

10. I am a 2D shape. I have eight sides and eight corners. What shape am I?

2. What is the least amount of notes/coins to make £8.12?

3. What are the missing numbers from the sequence: 85, 90, 95, ?, ?

4. Round 65 to the nearest 10.

5. Write 782 in words.

6. Partition 53 into T & Us.

7. $<$, $>$ or $=$

89 \square 81

8. $34 + 61 =$

9. $91 - 25 =$

10. I am a 2D shape. I have 5 sides and 5 corners. What shape am I?

Topic

As you know, Mrs Scott doesn't like to just tell you what our new topic is. Using the following pictures below, can you guess what our next topic might be about?

Health & Wellbeing:-

Workout: Join Mrs Scott after our 11am class team chat for some fun fitness. Have your trainers on and some water ready!

Send your exercise requests to Mrs Scott on our team chat and send any of your favourite tunes for our P3 Workout playlist.
