

P3's Home Learning

Wednesday 27th January 2021

Note:

I am working in the Hub at school today so no MS Teams today. Looking forward to catching up with you all tomorrow.

Remember to upload your work to SeeSaw or email to Mrs Scott at gwl+scottlynnne@glow.ea.glasgow.sch.uk. I am online from 9am -3pm to help.

you are
BRAVER
than you believe
STRONGER
than you seem
SMARTER
than you think
AND LOVED
more than you know

Literacy:

Reading Book Comprehension

If you have collected your reading book this week from school answer the comprehension questions supplied with it.

Remember to answer in full sentences.

Can you create 3 questions about your book?

If you do not have your reading book and comprehension, complete the following comprehension task. You are more than welcome to do both.

Poetry Comprehension

Read the following poem.

All About Me!

We are all special. We're different – it's true –
But what is the difference between me and you?

You can count numbers but I can play catch.
I dance at weekends, whilst you play a match.

You like bananas, whilst I like cherries,
But both of us love to eat juicy strawberries!

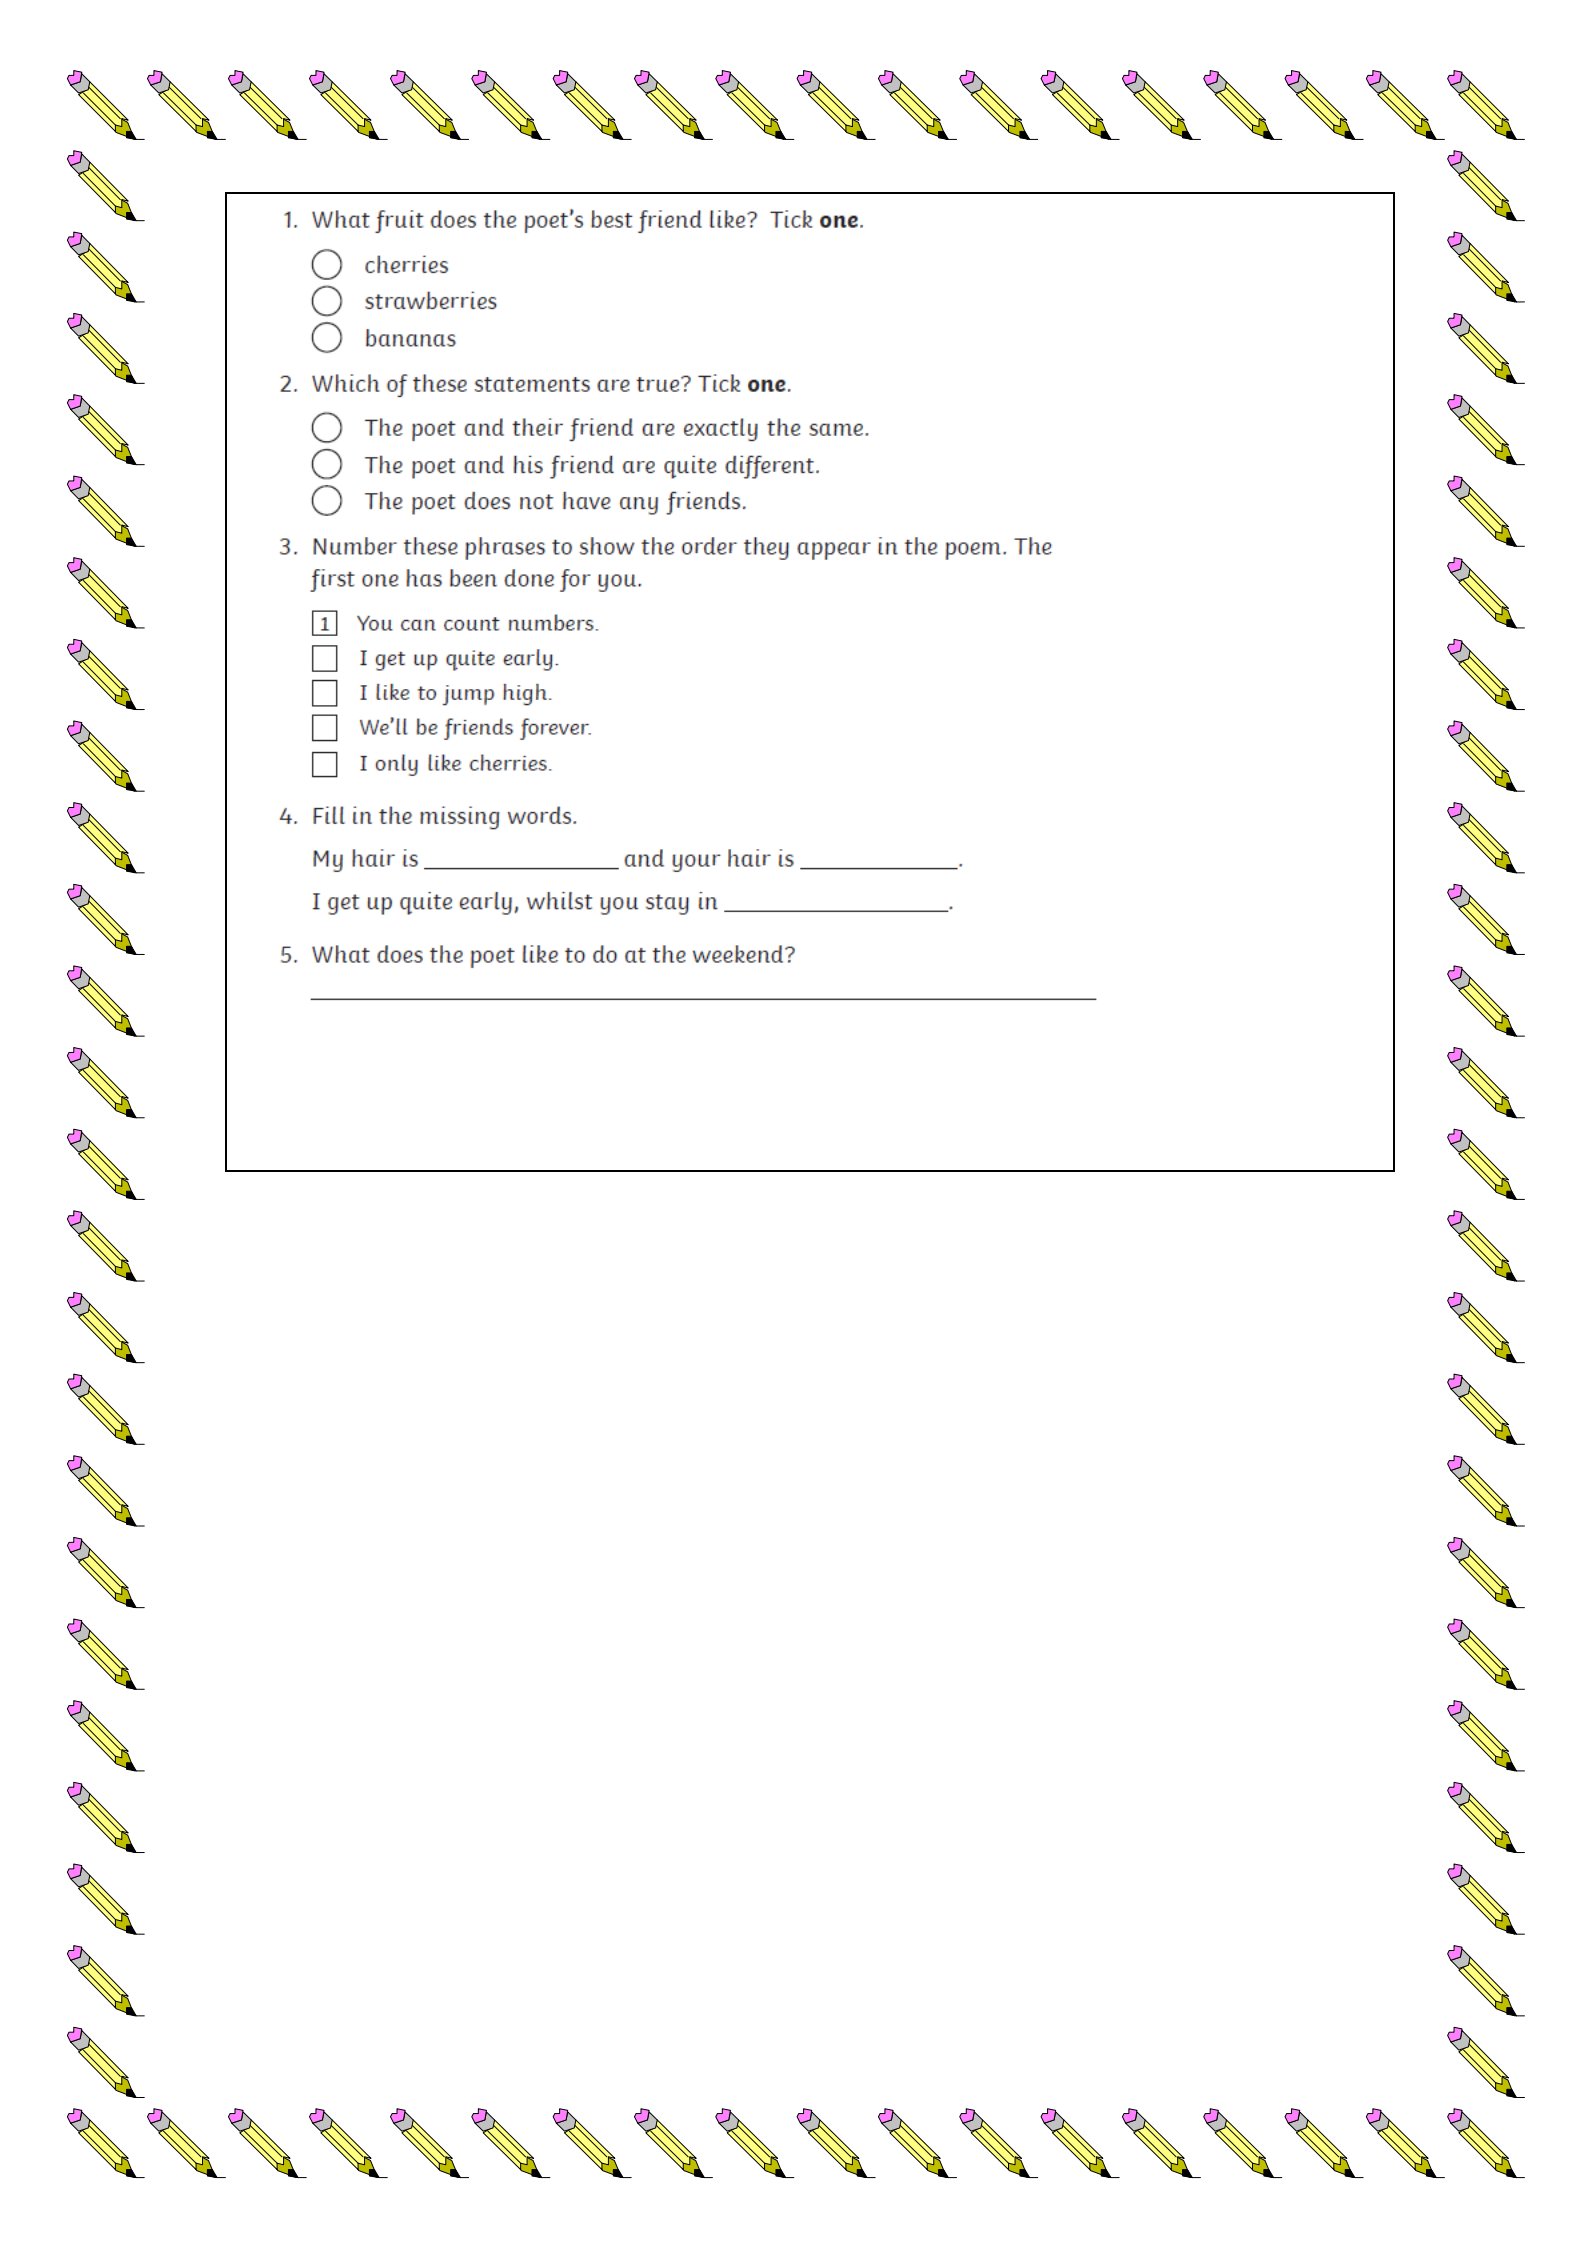

My hair is brown and your hair is red.
I get up quite early, whilst you stay in bed.

I can write neatly and you find it hard,
But we both like to make things from paper and card.

I like to jump high, whilst you read a book.
You like to buy pizzas, but I love to cook.

We'll be friends forever, no day will it end.
We may be so different but you're my best friend.

Now answer the following questions.

1. What fruit does the poet's best friend like? Tick **one**.

- cherries
- strawberries
- bananas

2. Which of these statements are true? Tick **one**.

- The poet and their friend are exactly the same.
- The poet and his friend are quite different.
- The poet does not have any friends.

3. Number these phrases to show the order they appear in the poem. The first one has been done for you.

- 1 You can count numbers.
- I get up quite early.
- I like to jump high.
- We'll be friends forever.
- I only like cherries.

4. Fill in the missing words.

My hair is _____ and your hair is _____.

I get up quite early, whilst you stay in _____.

5. What does the poet like to do at the weekend?

Numeracy

Drawing 2D - Shape Patterns

(Watch/listen to my direct teaching point on SeeSaw and then complete this follow up work or join MS Teams for this lesson)

You can make **patterns** using shapes, colours and lines.

We need to look closely at the shapes being used and find the pattern.

For example:-

We have yellow circle, blue circle, green square. So we know that the missing shapes above will be blue circle and green square.

Look closely at the shape patterns below and identify what shape is missing.

Complete the shape pattern.

Now create 3 of your own shape patterns with a missing shape.

Mental Maths – Today's Number

Choose Hot or Mild number and answer the questions below.

	
509	47

- 1) Write the number in word form
- 2) How many tens?
- 3) How many units?
- 4) Write the next 3 numbers
- 5) Write the 3 numbers before
- 6) Next 3 odd numbers?
- 7) Next 3 even numbers?
- 8) Add 10
- 9) Subtract 10
- 10) Round to the nearest 10.

Topic – Scotland

Before we start learning more about Scotland, let's explore your local area of Penilee first. Penilee is an area within the city of Glasgow.

You have probably walked your socks off around your area over this lockdown year. If not, go out for a stroll and have a good look around you. Have a think about some of the main features within Penilee e.g. buildings, parks, etc. Now think about what services there are.

Penilee	
Features	Services
Penilee Park	Hillington West Train Station

Tomorrow, we will look at Google Maps and try and locate where these are and explore the area surrounding Penilee.

Using the table you have completed above, can you design a poster to encourage people to come and visit Penilee?

Health & Wellbeing:-

- We might not be able to do our daily mile but get moving and grooving and keep fit with The Body Coach for Kids:
