

P3 Week of 15.02.21

We are continuing to follow our planned Religious and Moral Education Programme. This term P3's RME topic is the Personal Search topic of Winter.

Lesson 4: Migration and Hibernation

Winter brings many changes to the world around it.

During winter, some animals migrate, which means moving to another area for a season's time. Usually, animals go south to warmer areas during the winter.

Others animals begin a period of hibernation during the winter, passing much of the season in a near-sleep state.

Can you find some animals that migrate and some that hibernate?

Migrate 	Hibernate 

P3 Week of 15.02.21

Write a story about feelings on a winter's day.

WINTERS DAY
