

P3 Class Information

BLOCK 1
2025-2026

Reading - P3 will develop their reading and comprehension skills through their reading books and their own independent reading. Children should practise reading fluently and with expression. We will also be looking at features of non-fiction books.

Listening and Talking - We are exploring enjoyment and choice for talking and listening. Children will develop listening skills when sharing news with each other, asking and answering appropriate questions and contributing to groups.

Writing - This term's focus will be non-fiction writing covering recount and procedural that will link to our lives and topic.

Spelling - We will be working through individualised spelling programmes. Children should learn common words as part of homework.

French - We will be developing conversational French skills through songs, games and rhymes.

NUMERACY

Primary 3 will be working on place value, rounding, using calendars for durations and events, money, shape and addition. We will be developing our mental maths skills through daily practice, number talks and games.

PE: We will have our PE lessons on **Monday (outdoor) and Wednesday (indoor)**.

Please ensure earrings are removed on these days.

We will be increasing our fitness through team games with teamwork and positive communication. Our Health and Wellbeing focus this term is Values and Emotions.

Homework will be issued on a **Tuesday** on **SeeSaw** and is to be completed by the following **Monday**. This will allow families time to work on homework activities over the weekend. We suggest that no more than 10 - 15 minutes is spent on homework each night.

We are currently in the process of reviewing our homework policy. More information to follow.

Social Studies/Science/Technology - Our term 1 topic is Glorious Glasgow to celebrate Glasgow's 850th birthday.

Expressive Arts - Children will learn different skills in art, drama and music linked to our topic.

RME: We will be learning about Shabbat.

Digital Literacy: We will begin to use the iPads in class to enhance our learning and try some coding. We will be using Sumdog in class and increase our independence and confidence using digital technology.

STEM We will look at a variety of STEM challenges linked to our class topic.

Uniform - make sure all items of uniform are labelled.

School Information - Please check your child's bag daily for information regarding school events etc. In addition, please consult the school's App and website and follow us on Twitter.

Health Promoting School - We are a Health Promoting School and follow Glasgow City Council's 'Better Eating, Better Learning Policy'. This means that snacks pupils are permitted to bring are:-
A healthy snack - **NO** sweets, chocolate etc., and water to drink - in a refillable bottle preferably.
