Writing:

News

Write a few sentences about your weekend. Remember to use full stops and capital letters for each sentence, or can you include exclamation marks and commas! Try and write in a paragraph and have a go at using openers (first, then, after, soon also) to make your sentences more interesting. Underline your connectives (and, also, because, so or but).

For example:

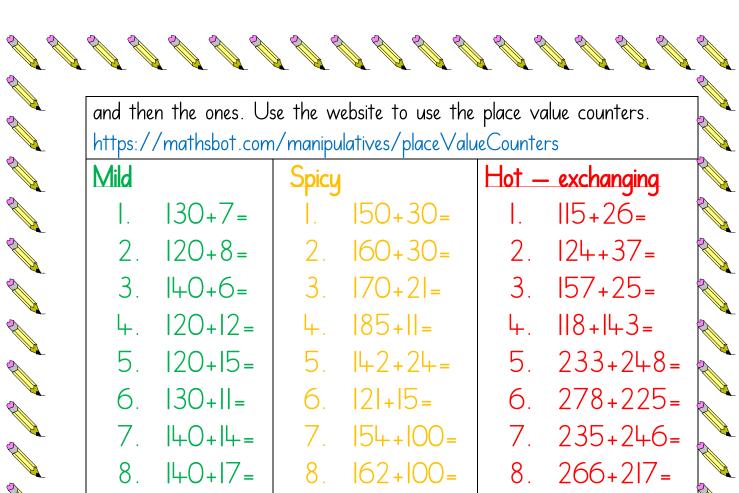

At the weekend I moved house! First, we had to paint all of the rooms, and then we moved in our furniture. Then, we had to build some furniture_so we had to make sure we followed the instructions. Next, we stopped and had some dinner because we had been very busy. Lastly on Sunday, we moved the last of the furniture and_relaxed for the night.
