Draw a line from the right word to the picture. The first is done for you.

Les animaux de la ferme

une vache un chat un chien
une poule une brebis un cochon

A matching exercise for farm animals. At the top, there are illustrations of a cow, a sheep, a pig, a cat, a chicken, and a dog. In the center is a green box with the text 'Les animaux de la ferme'. Below this are six green boxes with French words: 'une vache', 'un chat', 'un chien', 'une poule', 'une brebis', and 'un cochon'. A vertical line with an arrow at the bottom points from the cow to the word 'une vache', indicating that this connection has already been made.

Now you could listen to 'Le vieux Macdonald a une ferme' (Old Macdonald has a farm):
