## Writing 'News'

Write a paragraph about your first week of lockdown and your weekend. Remember to use capital letters at the beginning of and full stops at the end of every sentence.

Remember the key points of writing a recount:

- Use time connectives to begin sentences (*firstly, secondly, then, next, afterwards, later, finally*).
- Write in chronological order (the order that it happened in).
- Write in past tense - this has already happened.
- Use interesting adjectives (*beautiful, delicious, fantastic, gigantic, magnificent*) and adverbs (*curiously, excitedly, thankfully, playfully, quickly, slowly*).
- Use interesting openers (*As quick as a flash, without warning, never in my life, positively trembling with excitement, out of breath, really happily, suddenly, unexpectedly*).
- Use a range of connectives (*as, also, although, additionally, and, but, because, besides, consequently, despite, however, in spite of, moreover, nevertheless, since, so, therefore, whereas, when, while, until, unless*).
- Use a range of punctuation (. , ! ? " ' : ...).
