

P4 Class Information

BLOCK 4
2023/24

Reading - This term we will be doing a novel study on 'Georges Marvellous Medicine' by Roald Dahl. We will be using this book to develop our reading skills in answering questions, looking at the author's writing techniques and studying character and setting as inspiration for our writing pieces. We will also be continuing with our reading scheme books and taking books home weekly.

Listening and Talking - We will be reading our class novel aloud and discussing elements such as using punctuation cues and reading with expression.

Writing - This term's focus is setting. Children will develop their skills in writing using adjectives, adverbs, similes, metaphors, personification, connectives, openers and different types of punctuation.

Spelling - Children will work through the individualised spelling programmes. There will be an emphasis on correct pronunciation of words to support children with this. Children should also learn weekly common words.

French - In French, we will be learning how to talk about the weather.

This term we will be telling the time for 5-minute intervals on a digital and analogue clock. We will also be solving expressions and equations, finding area and measuring length. We will be converting between cm and mm/cm. In shape, we will be identifying and creating tiling patterns. We will be using 2 figure references for plotting and reading co-ordinates. We will continue to reinforce our skills in addition, subtraction, fractions, multiplication and division by answering word problems and mental maths.

Health & Wellbeing: This block our focus is on the RSHP (relationships, sexual health and parenthood) programme

PE: We have PE on **Tuesday and Thursday**. We complete the daily mile in school also. Our focus this term will be hockey and athletics.

Homework will be issued on a **Tuesday** is to be completed by the following **Monday**. Homework will be based upon class learning or revisiting previous taught concepts.

Social Studies/Science/Technology - Our class topic is The Human Body

Expressive Arts: Children will learn about different skills through our class novel 'Georges Marvellous Medicine'.

RME: Our learning context will be 'David'.

Outdoor Learning: We will carry out a variety of outdoor learning experiences across the curriculum.

Digital Literacy: We will continue to develop our digital skills using our iPads.

STEM: We will look at a variety of STEM challenges linked to our topic- The Human Body.

Uniform - make sure all items of uniform are labelled.

School Information - Please check the school App and website and follow us on Twitter.

Health Promoting School - We are a Health Promoting School and follow Glasgow City Council's 'Better Eating, Better Learning Policy'. This means that snacks pupils are permitted to bring are:

-A healthy snack - **NO** sweets, chocolate etc., and water to drink - in a refillable bottle preferably

Daily Mile - The class will be participating in the daily mile each day as part of our P.E programme.
