

P4 Class Information

BLOCK 1
2026-2027

Reading - P4 will develop their reading and comprehension skills through their reading books and their own independent reading. Children should practise reading fluently and with expression.

Listening and Talking - We are exploring enjoyment and choice for talking and listening. Children will develop listening skills when sharing news with each other, asking and answering appropriate questions and contributing to groups.

Writing - This term's focus will be non-fiction writing covering recount and procedural that will link to our term 1 topic- The Romans.

Spelling - We will be working through individualised spelling programmes. Children should learn common words as part of homework.

French - We will be developing conversational French skills through songs, games and rhymes.

NUMERACY

Primary 4 will be working on place value, rounding, using calendars for durations and events, money, shape and addition. We will be developing our mental maths skills through daily practice, number talks and games.

PE: We will have our PE lessons on **Wednesday and Thursday. Please ensure earrings are removed on these days.**

We will be increasing our fitness through team games.

Our daily mile and fitness classes will help increase fitness.

Our Health and Wellbeing focus this term is Values and Emotions.

Home learning will no longer be issued by class teachers. However, if you would like to support your child's learning at home, a wide range of activities are available through the school app and the school website. On the app, this information can be found in the *Classes* section, and on the website, it is located under the *Home Learning* tab. Pupils are still welcome to borrow a book from the class library to read at home for pleasure and they also have their Sumdog login details, which can be used at home to help

Social Studies/Science/Technology- Our term 1 topic is The Romans.

Expressive Arts- Children will learn different skills in art, drama and music linked to The Romans.

RME: We will be learning about Shabbat.

Outdoor Learning: We will carry out a variety of outdoor learning experiences across the curriculum.

Digital Literacy: We will begin to use the iPads in class to enhance our learning and try some coding. We will be using Sumdog in class and take part in local and national contests.

STEM We will look at a variety of STEM challenges linked to our class topic.

Uniform - make sure all items of uniform are labelled.

School Information - Please check your child's bag daily for information regarding school events etc. In addition, please consult the school's App and website and follow us on Twitter.

Health Promoting School - We are a Health Promoting School and follow Glasgow City Council's 'Better Eating, Better Learning Policy'. This means that snacks pupils are permitted to bring are:- A healthy snack - **NO** sweets, chocolate etc., and water to drink - in a refillable bottle preferably.
