

# P5/4 Class Information

BLOCK  
2025-2026

**Reading** - Children will continue to develop their expression, fluency and independence with their own text. As a class we will also be looking at "The Wild Robot" by Peter Brown.

**Talking and Listening**- This term we will continue to develop our talking and listening skills through class discussion on a range of topics.

**Spelling** - Primary 5/4 will continue to spell common words and will use their knowledge of phonics to spell independently.

**Writing** - Primary 5/4 will be continuing to transfer their writing skills across the curriculum. We will also be focussing on setting and short stories this term, using adjectives and onomatopoeia to enhance our writing. We will continue to consolidate our learning on question marks, exclamation marks and conjunctions.

**French** - Primary 5/4 will continue to embed French into their daily classroom routines.

In numeracy, Primary 5/4 will continue to apply their learning on numeracy strategies through addition, subtraction, multiplication and division. Pupils will further their learning on measure, this term's focus being area and length.

In mathematics we will learn about grid referencing and being able to read and times with quarter past/to and 5 minute intervals. We will also be solving expressions and equations.

**H&WB** - Primary 5/4 will be exploring RSHP (relationships, sexual health and parenthood) programme this term.

**P.E.** - We have P.E. on a **Tuesday (outdoor)** and **Thursday (indoor)**. Our focus this term is athletics, fitness, racquet skills and hockey. Please ensure all jewellery is removed on these days as I am not permitted to remove earrings in class.

Home learning will no longer be issued by class teachers. However, if you would like to support your child's learning at home, a wide range of activities are available through the school app and the school website. On the app, this information can be found in the *Classes* section, and on the website, it is located under the *Home Learning* tab. Pupils are still welcome to borrow a book from the class library to read at home for pleasure and they also have their Sumdog login details, which can be used at home to help

**Social Studies/Science/Technology** - children will be working collaboratively in STEM challenges linked to our novel study with a focus on prediction, problem solving, resilience and reasoning.

**Expressive Arts** - Children will learn different skills through our class topic of 'Life on land'.

**RME** - This term we will be learning about Christian Weddings.

**Digital Literacy** - We will continue to use the iPads to develop our coding skills by creating and de-bugging algorithms and showing our creativity through use of Book Creator and iMovie.

**Uniform** - make sure all items of uniform are labelled.

**School Information** - Please check the school App and website and follow us on Twitter.

**Health Promoting School** - We are a Health Promoting School and follow Glasgow City Council's 'Better Eating, Better Learning Policy'. This means that snacks pupils are permitted to bring are:

-A healthy snack - **NO** sweets, chocolate etc., and water to drink - in a refillable bottle preferably
