# P4/5 Class Information

**BLOCK 2**
**2026-27**

**Reading**– In reading, Primary 4/5, will be developing their ability to read aloud with increasing fluency and expression. To support their reading skills, we will continue to focus on common words and further developing their knowledge of phonics.
**Talking and Listening**- Children will listen to stories and give feedback on what they have heard. They will be able to follow instructions clearly and give opinions to class discussions on important current issues within our environment. Children also share their weekend news every Monday, providing further opportunity for talking and listening.
**Spelling**– Primary 4/5 will take part in daily active spelling activities. They will be encouraged to spell words independently using their knowledge of phonics.
**Writing**– In writing, Primary 4/5 will be exploring character. They will develop their vocabulary by using a range of adjectives in their writing. They will continue to recount their weekend through *'Have a Go' news* writing as well as other aspects. This will provide pupils with an opportunity to further develop their writing skills.
**French** – We will continue to embed French into our daily routines such as greetings, days of the week and the weather. Further to this we will explore numbers and counting in French.

In numeracy, children will be exploring subtraction, multiplication and division. We will be learning both multiplication and division with an emphasis on the 2, 3 4, 5, 6 10 times table. We will also be learning to subtract numbers within 100 and beyond.
In Maths, Primary 4/5 will be learning about patterns and sequences involving numbers, symbols, and shapes.

**H&WB:** Our focus for this block is Personal Safety and Relationships. We will explore ways to keep safe in a variety of contexts. Primary 4/5 will also learn about positive relationships and being a good friend.
**PE:** P4/5 have PE on a Tuesday, outdoor, and Wednesday, indoor. They are learning gymnastics this term to improve balance and control. They will also work on throwing and catching to improve gross and fine motor skills.

Home learning will no longer be issued by class teachers. However, if you would like to support your child's learning at home, a wide range of activities are available through the school app and the school website. On the app, this information can be found in the *Classes* section, and on the website, it is located under the *Home Learning* tab.
Pupils are still welcome to borrow a book from the class library to read at home for pleasure and they also have their Sumdog login details, which can be used at home to help develop their mental maths.

**IDL** – This term our class has a very exciting opportunity to work with Disney and Scottish Opera to create our own version of The Jungle Book. This will be our IDL focus this term and we will investigate different areas of the curriculum through this. We look forward to sharing more about this project with you and inviting you to see the show.

Additional Information

**Uniform** – make sure all items of uniform are labelled.
**School Information** – Please check the school App and website.
**Health Promoting School** – We are a Health Promoting School and follow Glasgow City Council's Better Eating, Better Learning Policy'. This means that snacks pupils are permitted to bring are:
-A healthy snack – **NO** sweets, chocolate etc., and water to drink – in a refillable bottle preferably.
**Daily Mile** – The class will be participating in the daily mile each day as part of our P.E programme.
