

P5a Home Learning

Friday 12th March 2021

Good Morning, P5a!

I will not be available as usual today due to my face-to-face teaching commitment in school. Please take part in the activities below - you do not need to upload your work to Seesaw today!

Health and Wellbeing:

Wednesday workout with Joe Wicks live on his YouTube channel 9.00am - 9.20am. Enjoy!

Follow the link:

<https://www.youtube.com/channel/UCAxWIXTOiEJoOTYIRfn6rYQ>

"More Children, More Active, More Often"
John Kynaston

Follow the Monthly Fitness Calendar!

Literacy:

Please work through P5 Literacy activities which are available on the Sandwood Primary website.

Scan the QR code:

Spelling:

Revise weekly common words. **SACAWAC**.

Spelling Strategy: Fancy Letters:

Write each of your spelling words using fancy writing!

You could make your words curly, dotty, stripey, – you choose!

Make your spelling words bold, bright and beautiful!

Pobble 365. Look at the daily image:

Use the thinking strategy, 'I See, I Think, I Wonder'

See, Think, Wonder

Then scroll down and choose some or all activities underneath the daily image.

Follow this link: <https://www.pobble365.com/>

Numeracy:

Please work through P5 Numeracy activities which are available on the Sandwood Primary School website.

Scan the QR code:

Maths Bot: Choose a few starter activities.

Follow this link: <https://mathsbot.com/>

Top Marks – Choose your own maths activities:

Daily 10.

Follow this link: <https://www.topmarks.co.uk/maths-games/daily10>

Hit the Button.

Follow this link: <https://www.topmarks.co.uk/maths-games/hit-the-button>

Sumdog – I will open the houses before 3pm as a reward.

British Science Week:

5-14 March
British
Science
Week
2021

Please complete the Science quiz on Seesaw 😊
It is all about your 5 Senses (like we have been learning about when describing a Setting).

★ LEARNING ABOUT OUR SMELL ★

SIGHT

WE USE OUR EYES TO SEE ALL THE THINGS AROUND US.

FIVE SENSES

SMELL

WE USE OUR NOSE TO SMELL ALL THE THINGS THAT ARE AROUND US.

★ HEARING ★

HEARING

WE CAN FEEL THINGS WITH OUR HANDS AS WELL AS WITH OTHER PARTS OF OUR BODIES.

TOUCH

WE USE OUR EARS TO HEAR ALL THE SOUNDS THAT ARE AROUND US.

TASTE

WE CAN TASTE THINGS WITH OUR TONGUE. WE CAN TASTE LOTS OF DIFFERENT FLAVORS.

STEM Challenges!

Learn the basics of sewing! Watch Red Ted Art sewing tutorials on YouTube. See if you can master some of the basic stitching techniques!

Get arty with your food! Cut food in different ways to create animals / scenes. You could even paint your own rainbow bread using sugar and food colouring!

In class we've been learning a lot about coding. Here is an example of Morse code. Can you write or use light / sound to send a message in Morse code? Can you create your own code & write a message?

A	B	C	D	E	F
G	H	I	J	K	L
M	N	O	P	Q	R
S	T	U	V	W	X
Y	Z	0	1	2	3
4	5	6	7	8	9

Visit <https://royalsociety.org/topics-policy/education-skills/teacher-resources-and-opportunities/brian-cox-experiments/> for some STEMtacular science experiments created by The Royal Society and Brian Cox! Take a photo or a video of your science in action!

Make some pizza toast! All you need is bread, cheese, tomato purée & the ingredients you'd like to put on your pizza.

Make ice cubes or ice lollies from various liquids and time how long it takes for each to freeze. Which one do you expect to freeze first / last? Why?

If - Then Coding Game! Play this with your family! One person is the 'Programmer' & everyone else is a 'Computer'. The Programmer gives the Computers a command. If I ---- (do this...), THEN you ---- (must do this...) If a Computer is too slow or doesn't do the correct command, they are out!

Take photos of symmetry in the environment around you. It could be natural (plants / animals) or man-made (fences / windows / tiles). You could even print a photo, cut it in half and see if you can draw the other side using symmetry.

Show off your cooking skills by creating a food tutorial video - Joe Wicks style! Use your camera / Clips / iMovie to share your recipe with others! Or create your own recipe book using PicCollage!

Float or sink experiment! Using the fruits and vegetables you have at home, predict which ones you think will float / sink - giving reasons why. What will happen if you half it or take off the skin? Do you notice anything about the items that float / sink?

Get coding on the Tynker website. Click play and choose your coding level. You can create games, skins, animations and more!

Outdoor maths! Explore your outside space and collect...anything! Leaves, flowers, stones, sticks, feathers etc. Think of how you would like to sort / organise them. Create a tally chart and graph to show what you have found.

Starbucks and Costa are trying to create the best Spring / Summer smoothie! Choose the company you want to work for. Can you create a delicious smoothie that they'll want to sell in their stores?

Track your scores / coins in a game using a line graph. It can be any game (Times Table Rockstars, Sumdog or a game of your choice!)

There's something wrong with the code on my map! Can you tell what it is?

Create your own more advanced code map (or game) and give instructions on how to get to the treasure / finish line.

Easy - Just use arrows. Challenge - Use compass points.

Outdoor Learning: Choose an activity or activities from the grid below (or you could start to follow the calendar for the month of March!).

MONTH OF OUTDOORS						
With Love Outdoor Learning						
MON	TUE	WED	THU	FRI	SAT	SUN
Art Can you collect leaves and make a leaf rubbing picture?	Scavenger Hunt Find 3 different leaves Can you ID them?	Game Can you play hopscotch? You can use sums and answer them when you land	STEM Can you build a tower of sticks?	Stick Challenge Can you make a stick man?	Animals Can you find animal tracks in snow or mud? who made them?	Craft Can you turn a stick into a magic wand?
Animals Can you spot 3 different birds? Can you identify them?	Game Can you play hide and seek? Make sure and stay safe	Craft Can you collect natural items to turn into a crown or tiara?	Scavenger Hunt How many colours can you find? Can you find different shades?	Art Can you use twigs to make shapes into art?	Stick Challenge Can you build a den for a mini creature?	STEM Can you create and fly a kite?
Animals Can you make a bird feeder? (an apple studded with sunflower seeds is easy)	Stick Challenge Can you build a den you can fit in?	Scavenger Hunt How many different noises can you hear? Where do they come from?	Art Collect mud for some mud painting. What consistency works best?	Game Can you play tic?	Craft Can you use natural materials and wool to make a windchime?	STEM Can you build a nest only using natural materials?
Game Can you play catch? How far can you stand apart and still play?	STEM Can you build and fly a plane?	Stick Challenge What can you create with your stick?	Art Use chalk to draw a picture outside your house for everyone to enjoy?	Craft Can you make a snowman or water picture?	Scavenger Hunt How many words or letters can you find on your walk?	Animals Can you spot any insects? Can you identify them?

Please upload your pictures to Seesaw! 📷

French Fridays

Bonjour, primaire cinq.

Mrs Wallis has created some fabulous French activities!

Please take part - enjoy! 😊
s'amuser, primaire cinq!

Have a great weekend, P5a!

I cannot wait to see you all on Monday when
we safely return to school! 😊
