Literacy: Spelling – Revise weekly common words.

SACAWAC.

Spelling Strategy: Spelling poem.

Write a poem of your choice using each of your spelling words! Underline your spelling words- think about features!

LI: I am learning about setting.

Scan the QR Code to watch a short clip about settings!

Please listen to my direct teaching point on Seesaw and then complete the following work:

Read the descriptions of the same setting below and then answer the following questions:

Where is the setting? What time of day is it? What season?

Which one do you prefer? Why?

Can you underline any 'wow' adjectives you find? Choose your favourite 5 wow adjectives from your favourite description.

Write a sentence including each of your wow adjectives.

(E.g., The **enormous** cloud drifted across the sky).

Setting 1:

The trees loomed over the floor. There were flowers underneath the trees and bees in the sky. It was hot and then it began to rain. There were a lot of different coloured flowers on the grass.

Setting 2:

The enormous trees loomed over the mossy green floor and stared down at the creatures below. Thin silvers of sunlight shone between the thick, dense leaves and created spotlights on the beautiful flowers underneath. There was a hum of noise: bees buzzing, monkeys howling, leaves rustling and birds calling. The air was thick with heat. Suddenly the sky erupted and a downpour of water hit the treetops making a rumbling sound. The colours were incredible! Bright blue bugs, glorious green grass and stunning pink, yellows and oranges from the unique flowers ran through the gigantic space.

The setting descriptions are on Seesaw for you to edit! 😊

Numeracy: Top Marks Daily 10 to practise 8 and 9 times tables.

Follow this link: <https://www.topmarks.co.uk/maths-games/daily10>

Try and reduce your time to become faster at answering!

You can also use the website Maths Bot for more of a challenge - there are a wide range of activities to improve your maths skills.

Sumdog - I will open the houses before 3pm!

LI: I am learning to add and subtract decimals.

Please listen to my direct teaching point on Seesaw and then complete the decimal addition and subtraction worksheet 😊

To Add and Subtract Decimals

#1 Line up the numbers. All decimal points should be written to form a straight line.

$$\begin{array}{r} 3.4 \\ + 5.95 \\ \hline \end{array}$$

#2 Bring down the decimal point before adding or subtracting. Keep the decimal points in a straight line.

#3 Add zeroes to the right of the decimal point as needed to fill in the place value.

$$\begin{array}{r} 4.600 \\ + 7.841 \\ \hline \end{array} \qquad \begin{array}{r} 13.533 \\ - 2.400 \\ \hline \end{array}$$

#4 Add or subtract to solve the problem.

+ AND - DECIMALS

RULE 1:

LINE 'EM UP

RULE 2:

DROP IT DOWN

RULE 3:

FILL 'EM IN

RULE 4:

+ OR -

TeachingtheFastLaneLLC

Topical Science: Watch Newsround.

Can you summarise what is happening in the world today?

You could summarise in bullet points, as a recount in paragraphs or send me your summary as a voice recording!

You could even create a poem about a topical issue you noticed on Newsround. You choose! Follow this link:

https://www.bbc.co.uk/newsround/news/watch_newsround

Health and Wellbeing:

LI: I am learning to cope with change.

5 main strategies to cope with the changes of COVID-19 are:

CONNECT
GIVE
TAKE NOTICE
BE ACTIVE
KEEP LEARNING

Lesson 3: TAKE NOTICE

Have a look around you and take notice of everything – this helps you become stronger as you are aware of what makes you happy, keep you safe and brings you comfort!

Activity: Take notice of something in your room – it could be

your favourite item! Using your pencil only, you will be drawing and shading this item. Have a look at the shading techniques:

4 Basic Pencil Shading Techniques

STIPPLE	CROSS-HATCH	LINEAR	GRADIATED
Shade using short marks and dots	Shade using overlapping lines that go in different directions	Shade using lines that go in the same direction	Shade using consistent pressure by laying the pencil led on the side
			
Great for Shading:	Great for Shading:	Great for Shading:	Great for Shading:
<ul style="list-style-type: none"> " Fruit " Moss " Animal Skin 	<ul style="list-style-type: none"> " Trees " Rocks " Mountains 	<ul style="list-style-type: none"> " Hair " Fur " Grass 	<ul style="list-style-type: none"> " Human Skin " Sand " Sky
