Setting 1:

The trees loomed over the floor. There were flowers underneath the trees and bees in the sky. It was hot and then it began to rain. There were a lot of different coloured flowers on the grass.

Setting 2:

The enormous trees loomed over the mossy green floor and stared down at the creatures below. Thin silvers of sunlight shone between the thick, dense leaves and created spotlights on the beautiful flowers underneath. There was a hum of noise: bees buzzing, monkeys howling, leaves rustling and birds calling. The air was thick with heat. Suddenly the sky erupted and a downpour of water hit the treetops making a rumbling sound. The colours were incredible! Bright blue bugs, glorious green grass and stunning pink, yellows and oranges from the unique flowers ran through the gigantic space.
