# ECO HEROES

MADE BY MISS MAUN

@MaunMiss

You can become an Eco Hero by taking part in these challenges at home!

Sort through your clothes and toys. Make a bag to donate to charity. (When it is safe.)

Reuse a plastic pot or tub to make a boat that floats. (Recycle it when you're done.)

Turn the tap off while you're brushing your teeth to save water.

Turn off your light, TV, PlayStation etc. when you're not using them to save energy.

Do an activity that doesn't need any electricity! E.g. read, draw, play hide & seek.

Make a collage using recycling only! How creative can you be?

Make a bird feeder from recycling. You could hang it from a window and watch the birds.

Decorate used tin cans to create eco friendly plant pots and vases.

Refill the same cup or water bottle and use it all day to save water when washing up.
