

P5b's Home Learning

Friday 19th February 2021

Please email me at gw20naeemhumira@glow.ea.glasgow.sch.uk with any questions that you may have about your tasks. I would love for you to show me evidence of your great learning also!

Health and Wellbeing:

Lets move and groove with Joe Wicks at 9.00am-9.20am. I will be joining you with this Friday Fitness.

Tune in to: <https://www.youtube.com/user/thebodycoach1>

Why not encourage the rest of your family to join in!

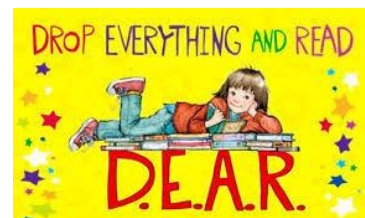

I wonder if you can complete the daily challenge set for today. You know Miss Naeem will definitely be doing this one!

Here is Day 19:

Literacy:

D.E.A.R — select a book, magazine, comic or newspaper at home and read for 15 minutes. Why not build a den using pillows and blankets for a cosy read!

Spelling:

- * Look over your spelling words for this week.
- * Use SACAWAC to revise. (Say and Cover and Write and Check your words)
- * Ask a family member to test you on your spelling words. I would love to know your score!

Let's warm up with Pobble for 15 minutes this morning.

Follow link: www.pobble365.com

Please attempt at least two of the following challenges:

- Story Starter!
- Sentence Challenge!
- Question Time!
- Picture Perfect!

LI – I am learning to write a setting.

Join me in my direct teaching PowerPoint where I will discuss the importance of setting and explore an imaginative setting.

Then, you have a choice of two settings. Choose the setting you prefer to write about. I wonder if you will choose 'Spooky Setting 1' or 'Spooky Setting 2'.

You could complete this activity on Seesaw or you could draw this template in your jotter/on paper.

Remember your SC –

I would love to see details in your setting.

Include adjectives.

I wonder if you will think about your openers and connectives.

Will you include similes and alliteration?

I cannot wait to see your setting descriptions Boys and Girls!

Writing a Spooky Setting Description

Spooky Setting I

How does the place make you feel? What effect does it have on your body?

What can you see?

What does it feel like (temperature, movement, texture)?

What can you hear?

Where is this setting located?

What might you find here?

What does it smell like?

Write a simile about this place.

Spooky Setting 2

Writing a Spooky Setting Description

Where is this setting located?

What does it feel like (temperature, movement, texture)?

How does the place make you feel? What effect does it have on your body?

What might you find here?

What does it smell like?

What can you see?

Write a simile about this place.

What can you hear?

French:

Bonjour!

CA
VA

Let's have some fun on French Friday with Mrs Howarth.

I will upload our French plan for today on Seesaw.

Numeracy:

Continue to develop your mental maths. Complete this multiplication grid:

Multiplication Grids

The digits 2-9 are placed somewhere in the table headings. Find all the missing numbers.

LI
I am

\times	9		4	
5				
2		12	8	
7		42		21
		48		

learning to identify decimals.

Today we will be learning about decimals. Come and join my direct teaching PowerPoint on Seesaw where we will discuss this learning and work through some examples before starting our activity. Identifying decimals is very important because next we will be learning to order them.

Task: Complete 'Identify the Value of Decimal Digits' worksheet. I will upload this on Seesaw also.

Identify the Value of Decimal Digits

Recognising the value of digits in numbers up to 2 decimal places.

0.14	0.4	0.56	0.63	0.41	0.42	0.36	0.87
0.24	0.08	0.13	0.51	0.96	0.73	0.59	0.86
0.77	0.1	0.12	0.6	0.17	0.74	0.29	0.34
0.67	0.01	0.22	0.69	0.55	0.61	0.26	0.33
0.28	0.79	0.03	0.54	0.61	0.09	0.66	0.5
0.07	0.52	0.19	0.72	0.56	0.42	0.78	0.05

1. Find all the numbers above that have the following:

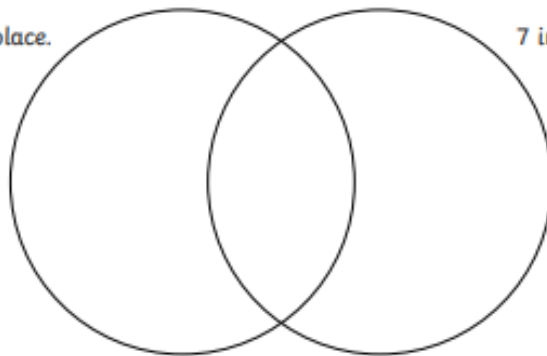

7 in the tenths place	
4 in the hundredths place	
1 in the tenths place	
3 in the hundredths place	
5 in the tenths place	
9 in the hundredths place	
2 in the tenths place and 6 in the hundredth place	

2. Complete this Venn Diagram with these numbers.

0.47 0.37 0.12 0.53 0.87 0.41 0.79 0.19 0.42

4 in the tenths place.

7 in the hundredths place.

Please remember to write your answers in your home learning jotter or even on paper. Don't forget to upload pictures of your brilliant decimal identification!

Here are some additional challenges to become:

ECO HEROES

You can become an Eco Hero by taking part in these challenges at home!

Sort through your clothes and toys. Make a bag to donate to charity. (When it is safe.)

Reuse a plastic pot or tub to make a boat that floats. (Recycle it when you're done.)

Turn the tap off while you're brushing your teeth to save water.

Turn off your light, TV, PlayStation etc. when you're not using them to save energy.

Do an activity that doesn't need any electricity! E.g. read, draw, play hide & seek.

Make a collage using recycling only! How creative can you be?

Make a bird feeder from recycling. You could hang it from a window and watch the birds.

Decorate used tin cans to create eco friendly plant pots and vases.

Refill the same cup or water bottle and use it all day to save water when washing up.
