

# P6 Class Information

BLOCK 3  
2019-2020

## Literacy and Language

**Reading**- P6 will focus on developing fluency and expression. We will also develop our ability to gather information by using various resources.

We will continue to build on reading comprehension strategies and learn how answer literal, inferential and evaluative style questions to demonstrate our understanding of the text.

**Talking and Listening**- We will work on talking and listening strategies by learning to listen to each other. We regularly share and talk about our learning to identify our next steps.

**Spelling**- We will be continuing to work through our individualised spelling progression programmes.

**Writing**- We will focus on poetry, setting and short stories this term. Our school Scottish events and our topic will add context to our writing this term.

**French**- In French we will continue looking at basic greetings and numbers while increasing our knowledge of different French words.

## Maths and Numeracy

In numeracy, P6 will continue to develop strategies when using the four operations. This term we will develop our knowledge of decimal fractions, measurement, angles and symmetry.

Through our topic we will concentrate on transformation (coordinates) and shape.

Primary 6 will also continue to work on mental maths strategies and problem solving strategies in real life contexts.

## Social Studies

Our topic this term will be 'Scotland - Important people, places and industries.'

**Technologies**- We will look at how to enhance our learning using ICT by using our chrome books to research information and take part in maths games. We will also gather online information regarding our topic.

## Homework

Homework will be issued on a Tuesday to be returned the following Monday. This will allow families time to work on homework activities over the weekend. We suggest that no more than 15 - 20 minutes is spent on homework each night. Further guidance on how homework should be completed will be provided over the next couple of weeks.

## Other Curricular Areas

**PE Kit** - please ensure your child has their gym kit, bring to school on a Monday and take home on a Friday. Primary 6 will have gym on a Monday this term. Please ensure all jewellery is removed on this day.

**Daily Mile** - Each day we will do the daily mile just before lunchtime. Please make sure children have weather appropriate clothing.

**Change of shoes** - Please provide your child with a change of shoes.

**Uniform** - make sure all items of uniform are labelled.

**School Information** - Please check your child's bag daily for information regarding school events etc. In addition please consult the school's App and website.

**Health Promoting School** - We are a Health Promoting School and follow Glasgow City Council's Better Eating, Better Learning Policy'. This means that snacks pupils are permitted to bring are:- A healthy snack - **NO** sweets, chocolate etc., and water to drink - in a refillable bottle preferably.
