

P6 Class Information

BLOCK 1
2026-27

Reading - P6 will develop their reading skills by reading a range of fiction and non-fiction texts. We will focus on reading fluently and with expression during our guided reading sessions. We will also focus on answering literal, inferential and evaluative questions to show our understanding of what we have read. Furthermore, we will be identifying facts, opinions and will be evaluating the reliability of sources.

Listening and Talking - This block we will have opportunities to work collaboratively and demonstrate effective communication skills. We will also be developing our ability to listen and interpret information by watching and reading non-fiction texts.

Writing - This term we will focus on recount, report and procedural writing. We will be challenging everyone to use a range of VCOP in their writing. There will also be weekly spelling lists with activities and the use of the joined-up script is encouraged at all times.

In Numeracy we will be learning how to read, write, order and round up to 7-digit numbers with 2 decimal places. We will be focussing on addition strategies and answering word problems. In mental maths we will be revising our times tables and using these to mentally multiply and divide with increasing speed and accuracy.

We will also be looking at measuring time using different units, solving problems with money and extending our knowledge of 3D shapes and identifying features of triangles and circles.

Health & Wellbeing: This month we will be learning about Emotions. As part of this topic we will be identifying different emotions, looking at triggers and discussing strategies for coping with our emotions.

PE: Our P.E days are **Wednesdays** and **Fridays**. Please ensure that pupils remove all jewellery and come to school with appropriate footwear. On **Wednesday** we will be improving our fitness on the M.U.G.A and on **Fridays** we will be developing our ball handling skills in the gym hall. We will also take part in the daily mile each day.

Home learning will no longer be issued by class teachers. However, if you would like to support your child's learning at home, a wide range of activities are available through the school app and the school website. On the app, this information can be found in the *Classes* section, and on the website, it is located under the *Home Learning* tab. Pupils are still welcome to borrow a book from the class library to read at home for pleasure and they also have their Sumdog login details, which can be used at home to help develop their mental maths.

Social Studies - This block we will be learning about the Victorian Era and will study aspects of Victorian times with an emphasis on Scotland. We will learn about what life was like during this time, make comparisons with life today and explore the many inventions and famous people from this period in history.

Digital Literacy - we will be using the iPads to conduct research for our topic and to discuss the reliability of sources. We will also be developing our skills in using the mark up tools, Keynote and Book Creator to present our work digitally.

Uniform - make sure all items of uniform are labelled.

School Information - Please check your child's bag daily for information regarding school events etc. In addition, please consult the school's App and website and follow us on Twitter.

Health Promoting School - We are a Health Promoting School and follow Glasgow City Council's 'Better Eating, Better Learning Policy'. This means that snacks pupils are permitted to bring are:-
A healthy snack - **NO** sweets, chocolate etc., and water to drink - in a refillable bottle preferably.
