## Step 1 and 2

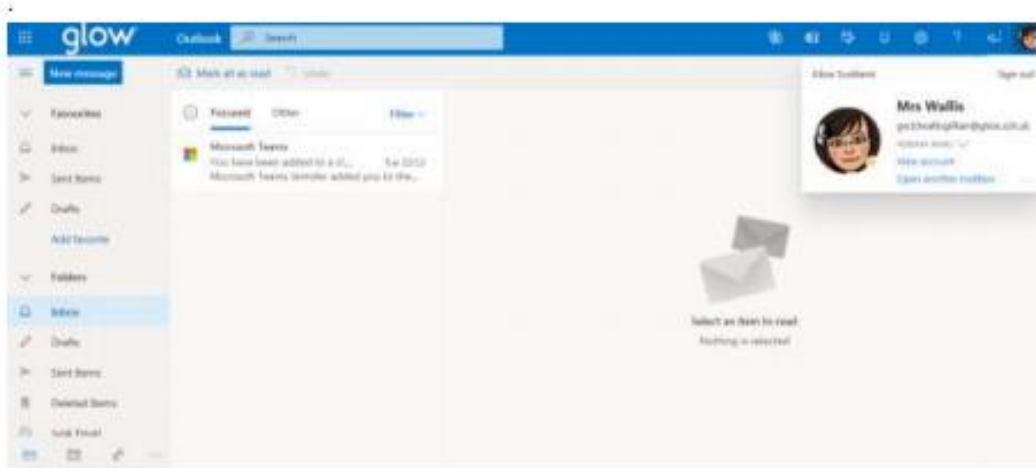

### Instructions to change the logo on Glow

Save the Sandwood logo (emailed to you) in your documents file or the photos app on the device you are working on.

Open your Glow email.

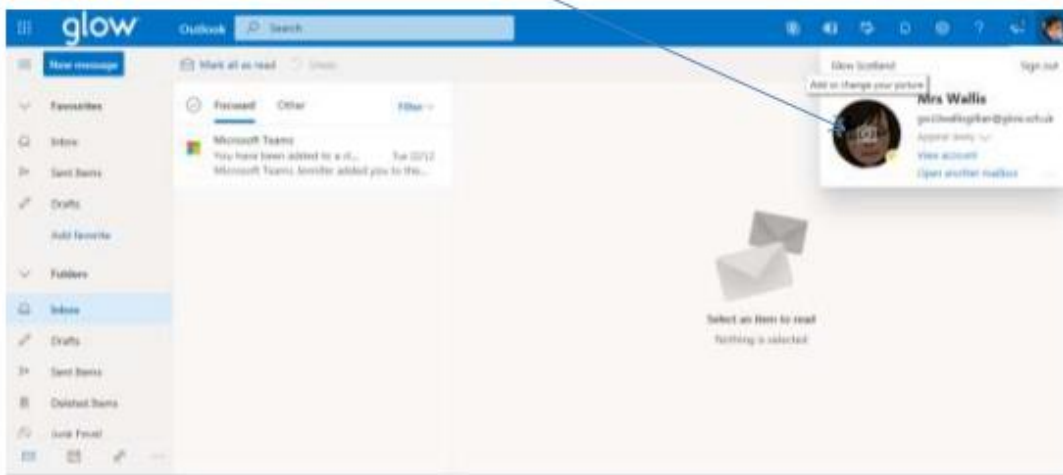

Click on the picture or initials at the right hand side of the screen and a box will appear.

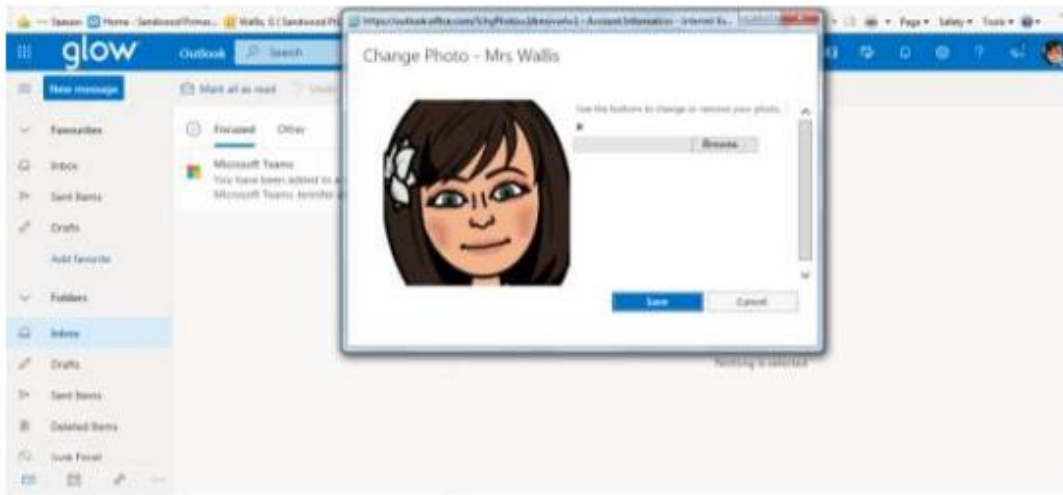

## Step 3 and 4

Click on the initials/picture and you will see a camera icon.

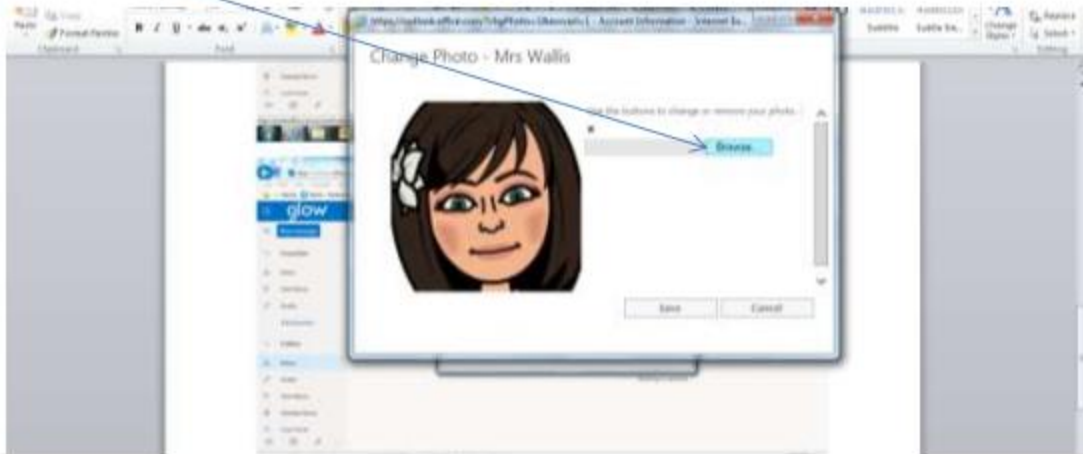

You will then see this (not Mrs Wallis' Bitmoji.....you should see your initials!)

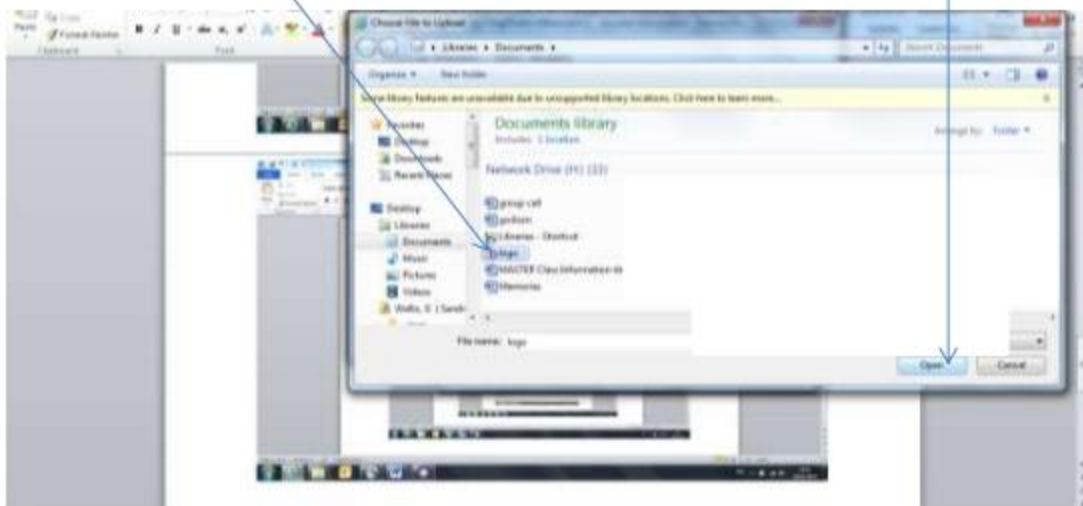

## Step 5 and 6

Click on browse and find the logo (wherever you have saved it).

If you have saved the logo in your documents you will see this. Click on logo and then open.

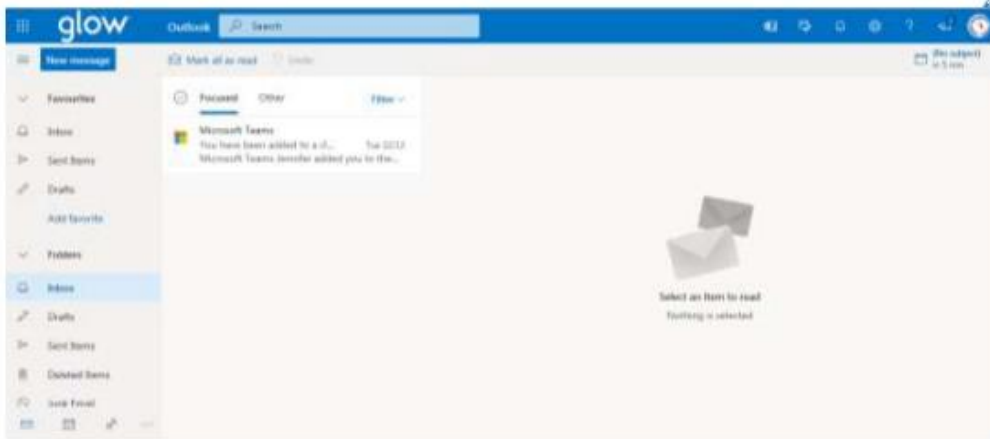

# Step 7 and 8

Click change.

Click Save.

The logo should now be changed.

## Art

### Amedeo Modigliani famous paintings.

Amedeo Clemente Modigliani (12 July 1884 – 24 January 1920) was an **Italian Jewish painter** and **sculptor** who worked mainly in France. He is known for portraits in a **modern** style characterised by long faces, necks, and figures that were not received well during his lifetime but later found acceptance.

What do you see? What colours have been used? What are the main features? (Small eyes and lips, long neck and face, etc.)

- Draw yourself (self-portrait) using his technique.

Find more information and images of his work here
