

P6 Week of 25.01.21

We are continuing to follow our planned Religious and Moral Education Programme. This term P6's RME topic is Islamic Weddings.

Lesson 2: Experience of weddings

The majority of brides favour a traditional white wedding dress.

However, brides from Asia often choose a shalwar-qameez outfit in scarlet with gold thread, and have their hands and feet patterned with henna. They might also have large feasts with hundreds of guests, usually with the males in a separate room from the females.

Other Muslims have simple celebratory parties with only close friends and relatives.

In some cultures there may be dancing, firing of guns, lots of noise and hilarity. Asian weddings often include pre-nuptial parties and gathering too - the whole process may last several days.
