## Literacy—

Please continue to read our Scottish poem, Tae a Virus. I would really like it if you could video or voice note yourself reciting it. Remember to use a clear voice, slow pace and expression. **There is a voice note on Seesaw of Mrs Beck reading it to you.**

Tae A Virus

By Willie Sinclair

Twa months ago, we didna ken,  
Yer name or ocht aboot ye  
But lots of things have changed since then,  
I really must salute ye.

Yer spreading rate is quite intense,  
Yer feeding like a gannet  
Disruption caused, is so immense,  
Ye've shaken oor wee planet.

Nae shakin hawns, or peckin lips,  
It's whit they awe advise  
But scrub them well, right tae the tips,  
That's how we'll awe survive

Just stay inside, the hoose, ye bide  
Nae sneekin oot for strolls  
Just check the lavvy every hoor  
And stock-take, your, loo rolls

Your holidays have been pit aff  
Noo that's the Jet2 patter  
Pit oan yer thermals, have a laugh  
And paddle 'Doon the Waater'

Ye might be gallus noo ma freen  
As ye jump fae cup tae cup  
But when we get oor vaccine made  
Yer number will be up.

Grammar— I can sort the correct figurative language description under the correct meaning.

Please see Seesaw for the direct teaching videos.

Drag the definitions and examples into the correct figurative language column.

### Figurative Language Sort

Directions: Cut out the boxes from the bottom and sort them into the correct category.

Cute as a button.	The tiny tuttle talked to Tom.	Shine bright like a diamond	He is quiet as a mouse.	Bang! Pow!	The book begged me to read it.
The kite danced in the wind.	They are peas in a pod.	I'm starving!	She's a bear in the morning.	The news traveled quickly.	big, bright balloons bounced on Braodway
I could watch this movie for forever!		I'm so tired I could sleep standing up.	Pop! Squish!		They are pigs.

## Numeracy

Numeracy Ninjas - In your jotters (Have a go at the key skills- I know some of them are tricky but try your best).

The answers will go up on Seesaw at 2:00pm for self-assessment.

Let me know what belt you are, Good luck.

L1 - I can use timetables set out in both 12 and 24-hour clock times.

Please follow the direct teaching videos on Seesaw.

Complete the worksheets on Seesaw that feature timetables; these will help you to develop your understanding of reading and interpreting timetables.
