P7/6 Class Information

BLOCK 2
2026-27

Reading – We will be developing our reading skills through our guided reading sessions and by having the opportunity to read for pleasure with a text of our choice. We will focus on reading fluently with expression and will also complete a variety of reading tasks with increasing confidence and independence.

Listening and Talking – We will continue to use the daily 'Newsround' bulletin as a context for us to create literal, inferential and evaluative questions based on what we have heard and watched.

Writing – This block we will be exploring characterisation and short stories. We will investigate the techniques used by writers to create convincing characters and will then have the opportunity to create our own characters by describing their physical appearance, speech, personality and movement. We will continue to focus on using the joined script and using VCOP to up level our writing.

French – We will be working to develop our conversational French skills including classroom objects and colours.

In numeracy, we will be working on subtraction, multiplication and division. We will be learning strategies to help with our mental calculations as well as using written calculations to help us solve word problems. We will also be learning about squared, cubed & triangular numbers as well as well-known number patterns such as the Fibonacci sequence.

Health & Wellbeing:
As part of our Health & Wellbeing programme, we will be looking at personal safety. We will begin by focussing on 'Firework Safety' and will create safety posters to share with classes about the dangers of bonfires and fireworks.

PE: Our P.E days for block 2 will be **Tuesday** and **Wednesday.** On **Tuesday** we will be on the MUGA developing our rugby skills and on a **Wednesday,** we will be indoors with a coach. Please remember to remove all jewellery and come to school with appropriate footwear on these days.

Home learning will no longer be issued by class teachers. However, if you would like to support your child's learning at home, a wide range of activities are available through the school app and the school website. On the app, this information can be found in the *Classes* section, and on the website, it is located under the *Home Learning* tab.

Social Studies: This block we will be continuing our studies on the First World War whilst continuing to develop our research and presentation skills.

Digital Literacy – the children will develop their digital skills by using iPads to create digital artwork and continue with coding, encouraging creativity, collaboration and problem solving.

Uniform – make sure all items of uniform are labelled.
School Information – Please check the school App and website.
Health Promoting School – We are a Health Promoting School and follow Glasgow City Council's Better Eating, Better Learning Policy'. This means that snacks pupils are permitted to bring are:
-A healthy snack – **NO** sweets, chocolate etc., and water to drink – in a refillable bottle preferably.
