Within Sandwood Primary School good attendance is encouraged at all times and children rewarded accordingly. Parents are asked to advise if their son or daughter is going to be absent. This should be done as early as possible on the first day of absence. If the young person is going to be absent for some time, it would be helpful to know at the earliest opportunity. The school uses daily text messaging to inform parents and carers of absence if no contact is made. All unexplained absence is investigated by the school and appropriate action taken. All calls must be made to the Pupil Absence Reporting Line on 0141 287 0039. The line is open between 08.00-15.30 Monday to Friday. Alternatively you can use the online form on the Glasgow City Council website: <https://www.glasgow.gov.uk/index.aspx?articleid=18832>

CURRICULUM FOR EXCELLENCE

Curriculum for Excellence has been introduced to raise standards of learning and teaching for all 3 to 18 year olds. It aims to help prepare children and young people with the knowledge and skills they need in a fast changing world. As part of Curriculum for Excellence all children from pre-school to the end of S3 will receive a rounded education known as a Broad General Education (BGE). Curriculum for Excellence is all about bringing real life into the classroom and taking lessons beyond it.

Through the experiences we provide at Sandwood we want our children to become Successful Learners, Confident Individuals, Responsible Citizens and Effective Contributors. We are committed to providing children with a broad general education and focus on eight curriculum areas.

Languages	Numeracy & Mathematics	Health & Wellbeing	Expressive Arts
Religious & Moral	Sciences	Social Studies	Technologies

Progress in learning is indicated through curriculum levels as detailed below.

Level	Stage
Early	The pre-school years and P1 or later
First	To the end of P4, but earlier or later for some
Second	To the end of P7, but earlier or later for some
Third & Fourth	S1-S3, but earlier for some

Each curricular area has specific skills which are taught however as much as possible and where appropriate these subjects are taught in a real context using a cross-curricular approach. This is called Inter-disciplinary Learning (IDL). Children have the opportunity to develop their interpersonal skills as well as literacy and numeracy. Children also have the opportunity to choose the context for their learning encouraging Personalisation and Choice.

There will be opportunities throughout the year for parents and carers to learn more about aspects of the curriculum and to be consulted about significant changes if appropriate.

RELIGIOUS OBSERVANCE

Our school is fortunate to have a close link with the local church. The minister assists with the Christianity element of Religious and Moral Education and provides opportunities for religious observance. Parents have the right to withdraw their child from religious observance and should inform the school in writing.

In addition, parents and carers from religions other than Christianity may request that their children may be permitted to be absent from school in order to celebrate recognised religious events. Only written requests detailing the proposed arrangements will be considered. Appropriate requests will be granted on up to 3 occasions in any 1 school session.

ASSESSMENT & REPORTING

All children are assessed both formally and informally throughout the year. This allows children and their teachers to identify their strengths and areas for improvement. A variety of assessment methods are used to enable staff to pass on information to parents about the progress of their child. Assessment records are kept by the class teacher and form the basis of discussion at Parents' Evenings in September/ October and February/March. An annual report is sent to parents towards the end of each school year.

If you have any concerns about your child's progress do not hesitate to contact the school.

Support for Pupils

The school has a duty to ensure that all pupils have equal access to the curriculum, with appropriate support for their needs if required. This applies to the content of lessons, teaching strategies and minor adaptations to the school environment. There are a wide range of factors which may act as a barrier to learning. We are committed to working closely with parents and carers to ensure that they are fully involved in any decisions about support for their children's needs.

Any parent or carer seeking further advice regarding this policy should contact the Headteacher in the first instance.

Further information relating to additional support needs is available on the Glasgow City Council website at <https://www.glasgow.gov.uk/index.aspx?articleid=18941>

Information on the Glasgow City Councils' Parental Involvement Strategy can also be found at <https://www.glasgow.gov.uk/index.aspx?articleid=17870>

School Improvement

On an annual basis, you will receive a copy of our Standards and Quality report. Copies from previous years are available on the school website. The Standards and Quality report highlights progress in key curricular areas such as literacy, numeracy and health & wellbeing. Our priorities for improvement are detailed in our School Improvement Plan which is discussed with our Parent Council. Any parent or carer seeking a copy of the plan can contact the school office or check out our website.

NURTURING CITY

The Glasgow City Council vision 'towards the nurturing city', puts building positive, trusting relationships at the core of our work. We ensure children, young people and families feel they belong, they are listened to and they are valued by embedding the principles of nurture across our early years, primary and secondary establishments. Staff are trained in attachment and nurture which deepens understanding of child development and enhances effective practice by responding to the needs of all children and young people in a consistent and caring way. Nurture is a universal approach which builds resilience, helping to reduce the impact of adversity. Effective communication and collaboration with parents and carers builds an ethos of partnership working putting the child at the centre, fostering high quality learning contexts.

Each of our nurturing establishments contribute to the development of Glasgow as a nurturing city, creating safe environments which allow our children and young people to flourish by raising attainment and promoting positive mental health and wellbeing.

PROMOTING POSITIVE BEHAVIOUR

Children's Rights as outlined in the UNCRC (United Nations Convention on the Rights of the Child) are fundamental to a good school ethos. Adults in our school will work with children to ensure they are aware of their rights and fully respect the rights of others. Therefore, the approach within Sandwood Primary School & LCR is to build a positive ethos that demonstrates care and respect for all. Positive behaviour is recognised and celebrated. Our school operates a system of class charters to set out expected behaviour and support our values. This is celebrated through Golden Time, awards at assemblies, House Treats and certificates sent home to parents etc.

The highest standards of behaviour are expected of pupils at all times. Where this is not the case, a variety of sanctions are used. Parents are asked to co-operate with the school in encouraging a sense of responsibility and good behaviour in their children.

PARENT COUNCIL

We have an active Parent Council that represents the views of all parents. All parents are welcome to attend Parent Council meetings and can become members at the AGM in September. Parent Council minutes are available on the Parent Council page of the school website and on request from the school office.

PUPIL VOICE

Our Pupils' views are very important at Sandwood Primary. All our pupils are involved in committees that allow them to be part of the decision making process of our school. Some examples are - Pupil Council, Learning for Sustainability, Health & Wellbeing and Fairtrade.

HOME LEARNING

Continuing to learn at home helps children to achieve more and is a vital part of our partnership with parents. Please check your child's schoolbag for communication about home learning and specific tasks. A copy of our home learning policy is available on the website and on request from the school office.

EXTRA CURRICULAR ACTIVITIES

We have a wide range of activities that run between Monday – Thursday to extend the learning experience. These currently include music, dance, Fun & Fitness, drama, chess, games and football. Please check your child's schoolbag for information as places are popular and usually limited.

We have great links with community organisations and our Active Schools Co-ordinator who support and enable many of these activities.
