September 2025

**Clyde** - well done to Ishraq Arya for using her communication board and classroom visuals.  
**Islay** - are really enjoying their 'Safari' topic and have created fantastic animal art work. They have been learning more about their feelings and the zones of regulation. Micah Watson is a responsible citizen, taking the litter picker out every breaktime and lunchtime to help keep our playground tidy.

**Iona** - have explored their 5 senses taking part in a range of activities. They have particularly enjoyed exploring their sense of taste, while trying a range of sweet, salty, bitter and sour foods. Congratulations to Marcus who received a certificate for a trampoline competition.

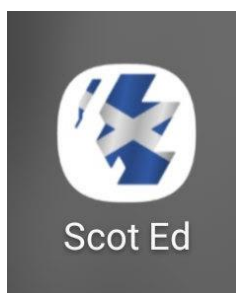

**Lomond** - have been learning all about different forms of transport. They have researched types of transport and produced some lovely art work.

**Nevis** - Jax has been challenging himself in numeracy and mathematics. Well done, Jax!

**Thistle** - have been enjoying lots of art and craft activities linked to their 'Under the Sea' topic. They have been practising using lots of different resources and techniques.
