September 2026

Clyde - are working on their communication skills using a range of different methods. Well done to Faizi for settling well into full days and showing confidence in verbally communicating his needs and wants.

Islay - have been focusing on language and communication across the curriculum. They have been learning about 'who, what, where' words and building this into their written work, listening and talking and zoo topic activities.

Iona - have settled well into their new class routines and are enjoying sensory play.

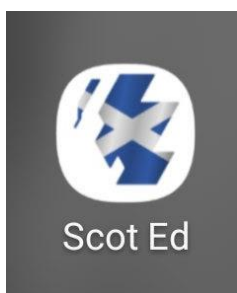

Lomond - are learning about the jungle and carrying out literacy work, building a fact file on jungle animals. Well done to Hunter for integrating well into Class Lomond.

Nevis - are enjoying exploring different natural disasters, especially getting to try lots of experiments that replicate real volcanoes and hurricanes.

Thistle - have been learning about time. They have done really well reading analogue and digital times and have even made their own clock faces.

The September Weekend holiday is Friday 25th September and Monday 28th September. The October week holiday is Monday 12th October – Friday 16th October (inclusive). Please note the Inservice day is Friday 9th October.

Please check the School App for important updates and school news.
