# LINES OF SYMMETRY

MATHS

A main line going through the centre of a figure or solid, also called _a line of symmetry_, or an <u>axis of symmetry</u>. Write the name of the shape and the number of the axis of symmetry.
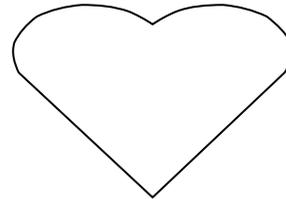

Name: _____
No. of lines of symmetry: _____
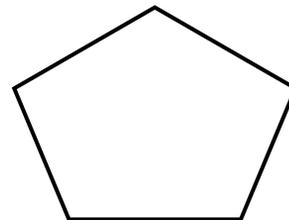

Name: _____
No. of lines of symmetry: _____

Name: _____
No. of lines of symmetry: _____

Name: _____
No. of lines of symmetry: _____
